On AMI days, you will need to complete the days assignment. **It is due the next day we are in class.** If we have several days out of school, you will complete however many days we are gone and return all of these the day we get back. Read ten pages of the book you're independently reading today. Write a short summary over what you read either on paper or on google docs. **Do not** share this with me if you type it on google docs.

Day 2:
