March, 15 2020

Dear Parent or Guardian,

Please see statement below from Dr. Martin.

Following the Governor's Press conference today, all Arkansas schools will close mandatorily beginning Tuesday, March 17th. Tomorrow, the Greenland District staff will report at regular times, however we will not be running bus routes. Our cafeteria will be open and serving breakfast and lunch as normal and if parents or guardians do not have arranged childcare as of yet, you may bring students in as normal. Students will not be counted absent and this is purely optional for any that may need assistance since this was just announced. Food service will be continued with delivery drops and open cafeterias and other student services such as therapy and online instruction will continue virtually the remainder of the week. Thank you for your cooperation. It's a great day to be a pirate!

Regarding online instruction, AMI packets and other services...Please no worries today! We will be asking each teacher to communicate with parents and guardians tomorrow and the rest of the week to further clarify any questions and to make sure you are comfortable and confident with information your students will be asked to work on, log into etc; that is why tomorrow was provided as an optional day. Our building offices will be open, so please feel free to call if you haven't heard from your child's teacher or you still have questions! Thank you!

If you have any questions or concerns, please contact me at ahardin@greenlandsd.com

Respectfully,

Jake Hardin

Principal
