

# ***School Bond Election***

**May 4, 2019**

## **District Bond Proposition Overview**

One proposition totaling \$40 million will appear on the ballot and include the following new construction and renovation projects:

- Construction of secure entrances and visitor screening areas at all academic campuses.
- Construction of a new Brownfield High School on land owned by BISD east of the existing high school. The current high school would be scheduled for completion by the end of 2021. At that point, the current high school would be utilized for Brownfield Middle School, with renovations for tennis locker rooms.
- New High School includes core academic areas, a STEM lab (Science Technology Engineering & Math), Career & Technical Education, Fine Arts space for band, theater arts classroom and choir, and a new competition gym and practice gym.
- A new playground for both Colonial Heights and Oak Grove Elementary School.
- Re-utilization of current Middle School Site. Abatement of asbestos and partial demolition of the existing Middle School. The auditorium and gymnasium areas would remain and entrances constructed to allow community access and use.
