Family Night

December 6, 2019

5:00pm-7:00pm

Everyone is invited to attend!

Bring grandparents, aunts, uncles, cousins, and friends to enjoy some cookies and punch. Then sit down together and do some crafting!

We will have tables set up for painting holiday themed pictures with your children, as well as several stations for making unique keepsake ornaments to take home and hang on your

tree. \*\*Due to the cost of some of the crafting supplies, "one ornament per family" signs will

posted at a couple of the stations.

A photographer from Photography by Robert Poole will be on hand to do family Christmas portraits for anybody interested.

They will also have neutral backgrounds available.
