

MONTHLY MEAL PAYMENT CHART

2018-2019 SCHOOL YEAR

(It is the parent's responsibility to provide lunch money or bag lunches or seek free or reduced price meal benefits. It is not the school's responsibility to provide meals without payment.)

Pre-payment of meals by the week, month or year is recommended. Cash, checks, or money orders can be used to pay for meals. If two (2) non-sufficient funds checks are received from one (1) household, only cash or money orders will be accepted for meal payments the remainder of the year. Daily cash payments may be accepted at meal time at some schools, but the line moves faster if payments are made before meal service begins. Please place your payment inside an envelope with the following information... 'Your child's **First and Last Name**', '**Grade**', '**Homeroom Teacher**', and the '**Amount Enclosed**'. The charts below may be used to determine meal payments. You may wish to list the amount you have paid each month in the '**Total Breakfast**' and '**Total Lunch**' columns to keep track of your payments. At the end of the school year, any parent may request a refund in writing until June 1st or the money can remain in the student's account.

On-line payments will be available again this year as an added convenience to you. On-line payments are not a mandatory service. If you choose to use this service you may access this option by visiting our cafeteria website at <http://www.allen.k12.la.us/> or go to <https://www.myschoolbucks.com>. After setting up your account you may access your children's accounts to check balances. Please contact your child's school cafeteria manager at the following phone number immediately if you have a question regarding your child's breakfast or lunch charges.
