March 20, 2020

Allen Parish Community,

I would like to take the opportunity to check in with Allen Parish students, employees, and families in hoping that everyone is *safe and healthy*. We are taking this opportunity to give everyone the following updates:

- We will continue to serve hot lunches at the three sites as long as there is a need. Please take advantage of this program which provides daily lunches to your children.
- Schools are scheduled to reopen as of April 13, 2020. Our school calendar is scheduled to resume class April 20, 2020, at the end of spring break. The exact date that classes resume in Allen Parish will be announced at a later date when more information becomes available.
- All school activities are suspended until further notice.
- We anticipate having graduation and other end-of-year activities.
- Instructional minutes for all students have been waived. The official last day of school is May 22, 2020, which aligns with our school calendar. No additional days will be added to the school calendar.
- As a reminder please use info@allen.k12.la.us for any questions or concerns. Academic needs and questions can be addressed here.
- Upon returning to school, we will resume daily, school routine as quickly and smoothly as possible. Making sure that ALL students are exposed to essential learning in preparation for success at the next grade level will be *our number one concern*.
- As we approach returning to school, we will be taking steps to assure deep cleaning and sanitation of school sites and buses.

Wishing all of you my best,

Kent Reed, Superintendent
Allen Parish School Board
