

DON'T WAIT!

Schedule Your Child's Routine Check-up Today

Even while Louisiana is responding to COVID-19, it is important that parents protect their children from serious preventable diseases, such as measles and whooping cough.

Talk to your child's doctor and work together to make sure they are up to date on all their vaccines and routine check-ups.

To Find A Doctor:

Check your health insurance card for a phone number or website that can help you find someone who will work with your health insurance provider.
