

# BROCK GOLF TEAM PRACTICE RULES AND REGULATIONS

1. Dress in appropriate golf attire.
  - a. Men must wear collared shirts or mock neck shirts designed for golf, golf shorts, or golf pants.
  - b. Ladies must wear appropriate golf shirts. Skirts, skorts, or golf yoga pants are permitted.
  - c. T-shirts, tank tops, and blue jeans of any kind are NOT allowed while on the golf course or when using the practice facilities.
2. Take care of the golf course. Fill in divots and repair ball marks on the greens.
3. Be courteous and respectful to all golf course staff, members, and other golfers that are using the practice facilities or the golf course. Members of the golf team are expected to maintain emotional control during practice. Slamming/throwing golf clubs, using profanity, or being rude or disrespectful will be immediately suspended from the team.
4. The use of golf carts during designated practice times is prohibited.
5. It is important to remember that both Sugartree GC and Canyon West GC are businesses. We are guests during practice times. Both golf courses allow the golf team to use their facilities because they want to support the Brock High School Golf program and team. They are under no contractual obligation to allow us to use their facilities. Therefore, we will abide by their rules. Any Brock High School golfer misusing the golf course or practice facility will be immediately suspended from the team.
6. There is no charge for members of the golf team during a designated team practice for the use of the practice facility or for playing on the course.
7. The following are WALKING rates for members of the golf team on non-scheduled practice days: \$10 on weekdays, \$15 on weekends. All other rates will be the same as it is for a regular guest.
8. Sugartree Golf Club and Canyon West Golf Club both are enthusiastic supporters of the Brock Golf Program. Please take time to thank them for their support. If you have any equipment issues or if you are wanting additional private instruction, please check with the individual golf pro shops for pricing and availability.
