- b. To be eligible for selection to membership in this chapter, the candidate must have been in attendance for a period of one semester at Brock High School.
- c. Candidates eligible for selection to the chapter shall have a minimum cumulative GPA of 95. This will reflect weighted classes; however, there will be no rounding. This scholastic level of achievement shall remain fixed, and shall be the required minimum level of scholastic achievement for admission to candidacy for selection to membership.
- d. Upon meeting the grade level, attendance, and GPA standard requirements, candidates shall then be considered based on their service, leadership, and character.

ARTICLE III: SELECTION OF MEMBERS

Section 1 – The selection of members to this chapter shall be by a majority vote of the Faculty Council consisting of five faculty members appointed by the principal. The chapter adviser shall be the sixth, nonvoting, ex officio member of the Faculty Council.

ARTICLE IV: DISCIPLINE AND DISMISSAL

A member of the National Honor Society is expected to maintain his or her academic standing and take an active role in service and leadership to his or her school and community.

Section 2 – If a member's cumulative GPA falls below the standard in effect when he or she was selected, 95, he or she will be given a written warning and a time period for improvement. If the cumulative GPA remains below standard at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council, which will include consideration of dismissal from the chapter.

Section 3 – If a member fails to perform any of the published obligations of membership, he or she will be given a written warning and a time period for improvement. If the obligation remains unmet at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council, which may include dismissal from the chapter.

Section 5 – Offenders of the school conduct code (such as use of profanity, failure to comply, unexcused absence, cheating, plagiarism, excessive tardiness, etc.) will receive written warning notification. A conference may be requested by either party (Faculty Council, student, or parent). If the member is involved in another violation of the school conduct code, the member will be considered for dismissal.

Section 6 – In all cases of pending dismissal:

- a. The member will receive written notification indicating the reason for possible dismissal from the adviser or Faculty Council. The member and adviser will discuss the written notification in a conference. Situations that involve flagrant violations of school rules or the law can warrant disciplinary action without a written warning although a hearing must be held (see below).
- b. The member will be given the opportunity to respond to the charge against him or her at a hearing before the Faculty Council prior to the vote on dismissal. The Faculty Council will then vote on whether to dismiss. A majority vote of the Faculty Council is needed to dismiss any member.
- c. The results of the Faculty Council vote will be reviewed by the principal and then, if confirmed, expressed in a letter sent to the student, parents, and principal. Dismissed members must surrender any membership emblems to the adviser.
- d. The Faculty Council's decision may be appealed to the building principal and afterwards through the school district discipline policy.
