TITLE 1

What is Title 1? Title I, Part A (Title I) of the Elementary and Secondary Education Act (ESEA), provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.

GOAL

To provide instructional services and activities to meet the needs of students who are at risk for not achieving proficiency on the state's challenging standards.

In Our District

Title 1 provides us with funding for instructional aides, progress monitoring, parental involvement, training for teachers, interventionists, and supplemental resources for classrooms.

How do we receive Title 1 funds?

- 1st – The Federal Government provides funding to the state
- 2nd – The state sends the money to our district
- 3rd – The district distributes Title 1 funds as necessary per each campus
