Meeting called to order by Debi Hall, R.N. – JISD District Nurse

Minutes: Minutes from 05/17/2018 meeting distributed and hearing no corrections, Tami Whittington moved to approve minutes as read, with a second from Austin Farmer.

Guest Speaker – Terry Moore, Food Service Director discussed the JISD Wellness and with the nutritional components. Discussion was made to develop a committee of staff and students to oversee the Wellness policies. Lynn Phillips, Austin Farmer, Baylon Ector, and Charlie Mauldin will be part of the committee as well as nursing and teachers.

Dee Farmer with Genesis PrimeCare spoke about behavioral health issues with our students and the availability of same day care for our school district. There is a doctor available in the Marshall and within the next few weeks the Jefferson clinic will have a licensed councilor available one day a week. Our SHAC students want to start an emotional health program for JISD with Ms. Whittington. They will also contact East Texas Baptist University for student involvement. Ms Farmer talked about a book on behavioral health Who Switched Off My Brain by Carolyn Leaf. She started that this is a great resource book.

Hearing no further business to come before the committee, Austin Farmer moved to adjourn with a second from Brandy Musick, RN

The next meeting is scheduled for November 28, 2018
