

Welcome to Jefferson Junior High

I want to personally thank you for visiting our website. At Jefferson Junior High we believe we are a family with the same goal. We are not only educating students, but transitioning their minds from children to young adults. We have a dynamic team of educators whose only desire is to educate students. This is easily accomplished with the shared responsibility between the teachers, students and parents.

Opening communication channels through our campus website enables our parents to contact the student's teachers, access the campus and district calendars, and the student's gradebook through the parent portal at any time. These items, along with additional information and resources, can be found under the Parent Resources link.

JJHS administrators, teachers, and staff look forward to the coming school year and watching the students grow from Bullpups to Bulldogs!

Tim Phy-Principal
