What is a School Parent Compact?
A School Parent Compact for Student Success is an agreement that parents, students, and teachers develop together. It explains how parents and teacher will work together to make sure all our students reach grade-level standards.

Effective Compacts:
- Link to goals of the school improvement plan.
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students, and staff of Rankin High School developed this School Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us what would help them learn. Meeting are held each year to review compacts and make changes based on student needs.

Parents are welcome to contribute at any time.
If you would like to volunteer, participate, and/or observe in the classroom, please contact Mr. Adrian Gallardo at agallardo@rankinisd.net.
