Parents and Staff,

Brookesmith ISD has been notified that a 4th grade student has tested positive for COVID-19.

The classrooms have been deeply sanitized. All employees and students are instructed to continue to follow CDC guidelines and recommendations.

Out of an abundance of caution, we advise you to monitor your student's health, follow the [CDC guidelines for people who have had close contact](#) and contact your primary care physician if your student develops symptoms.

The District is continuing to monitor this situation and will provide additional information as needed. We hope for a successful recovery for our student.

Sincerely,

Danny Copeland
