

Premont Independent School District

2017-2018 Pre-Kindergarten 4

Family Engagement Plan

Premont Independent School District supports the High Quality Pre-Kindergarten program. It is our goal to achieve and maintain high levels of family involvement in order to achieve student success. Our parents need to unify and feel welcomed in our school. Premont ISD pledges to entice the parents to attend family activities through the partnership of Communities in Schools, Parent Teacher Organization, alliance with Texas A&M University-Kingsville, ESC2 and Texas Title I Priority Schools.

Components and Strategies for Premont ISD:

Facilitate Family - to - Family Support

Create a safe and respectful environment that welcomes parents to participate in family activities
