

Directory of Participating Dentists

Lincoln DentalConnect®

Lincoln Financial Group's *Lincoln DentalConnect*® program brings many distinct advantages including an expanded nationwide network of participating dentists who meet credentialing criteria and provide dental services at negotiated rates. Benefits will be based upon the dentist's participation status on the date services are received. Members should verify a dentist's participation status prior to and on the date of services.

Directory information is provided by participating dentists. Lincoln has made reasonable efforts to assure that the list of participating dentists is accurate. Please [click here](#) or call us at the toll-free number below to report any discrepancies in provider data.

Language interpretation services are provided at no cost. Members are entitled to full and equal access to covered services under the Federal Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.

A printed copy of the provider directory is available at no cost by calling us at (800) 423 – 2765.
