## STAAR REPORT CARD

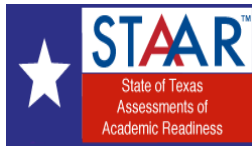

Each year, the Texas Education Agency publishes a STAAR Report Card for students who were administered STAAR. The STAAR Report Card, formerly known as the Confidential Student Report (CSR), has been updated to improve communication and transparency with educators and families.

To access the accompanying website where parents can log in to learn more about the STAAR Report Card, visit [TexasAssessment.com](https://www.texasassessment.com).

In addition, you may view the many resources TEA has to offer in order to learn more about the features on the STAAR Report Card, questions you can ask teachers and counselors, and how to log on and learn more. Log on to: <https://tea.texas.gov>

If you have any questions or concerns, please contact your child's campus principal @ (956) 716-6700 or Mrs. Clarissa A. Ibañez, Director of Student Assessment, Evaluation, and Accountability @ (956) 716-6739.

View your child's assessment results on the following website:

Step 1. Click on: Find my access code

A purple-themed login page for the STAAR student portal. At the top, it says "Log in to the secure student portal to learn more about your child's score and how to help improve it." Below this are two input fields: "Unique Student Access Code" with a text box labeled "Access Code", and "Student's Date of Birth" with three dropdown menus for "Month", "Day", and "Year". A large orange button with a lock icon says "LOG IN TO STUDENT PORTAL". At the bottom, a white arrow points to the text "Find My Access Code".

Step 2. Enter student's information to obtain access code.

A white form titled "Look Up Unique Access Code:". It contains three input fields: "Student's First Name", "SSN or S-Number", and a date field with "Month", "Day", and "Year" dropdowns. A blue circular "Go" button is on the right. A link "What's an S-Number?" is below the SSN field. At the bottom, there are two blue links: "Where's my access code?" and "Cancel Look Up Unique Access Code".

Step: 3 Click go. Make sure all fields are filled in and click go again.

The next page is the student's detailed STAAR Report.
