Dear Bow River FFA,

AGCO and AGCO legacy companies have supported the National FFA Organization for nearly 70 years! Over the past four years, AGCO has continued that commitment to students at the local, state, and national levels by offering scholarships in partnership with AGCO dealerships. AGCO and AGCO dealers awarded \$150,000 in scholarships to 131 students last year alone.

For the 2015-2016 academic year, Shively Hardware Company has teamed up with AGCO and the National FFA Organization to sponsor a scholarship for eligible FFA members from your chapter. Students from your chapter can apply for the scholarships between November 15, 2015 and February 1, 2016. Scholarship winners will be announced in early May 2016 on the National FFA Organization's website. More details can be found at [ffa.org/scholarships](http://ffa.org/scholarships).

To help you spread the word among your students, you'll find posters and handbills enclosed. Please use these materials to promote this scholarship and encourage your students to apply. I encourage you to reach out to Joe Glode at Shively Hardware Company regarding this opportunity for your students and if you have any questions about their participation.

Sincerely,

Brent Stammen
