

During this extended time off of campus, we want to continue to support our students and community.

We will provide Breakfast and Lunch on a “To-Go” basis for our students for Tuesday, March 17 to Friday, March 20th.

Breakfast pick-up times will run between 7:30 and 9:00AM.

Lunch pick-up times will run between 11:00 and 12:30PM.

Students can enter through the front doors of the High School.

Free and reduced meal prices will remain in effect for all students currently receiving those benefits.
