SCHOOL
HEALTH
ADVISORY
COUNCIL

The Board shall establish a local school health advisory council to assist the District in ensuring that local community values and health issues are reflected in the District's health education instruction. The Board shall appoint members to the council, a majority of which must be parents of students enrolled in the District and who are not employed by the District. The Board may also appoint one or more public school teachers, public school administrators, District students, health-care professionals, members of the business community, law enforcement representatives, senior citizens, clergy, representatives of nonprofit health organizations, or representatives of another group. [See EHAA]

STATEMENT
FOR PUBLIC
INSPECTION

The District shall publish in the student handbook and post on the District's Internet Web site, if the District has an Internet Web site, a statement of:

1. District policies adopted to ensure that elementary school, middle school, and junior high school students engage in at least 30 minutes per school day or 135 minutes per school week of physical activity;
2. The number of times during the preceding year the council has met;
3. District policies to ensure compliance with applicable vending machine and food service guidelines for restricting student access to vending machines; and
4. District policies and procedures that prescribe penalties for the use of tobacco products by students and others on school campuses or at school-sponsored or school-related activities.

CHANGES IN
CURRICULUM

The District must consider the recommendations of the local school health advisory council before changing the District's health education curriculum or instruction.
