

Virtual Parents,

Miller High School will be administering required end of year Missouri Assessment Program and End of Course testing. As you may be aware, these tests are required by the Missouri Department of Elementary and Secondary Education. Below is the schedule for our virtual students. These assessments must be taken in person and cannot be proctored virtually. If your student is enrolled in any of the courses below, they will need to be present at the stated date and time to take their assessment. These assessments will be taken in the auxiliary gym and students will be socially distanced. Breakfast and lunch will be provided. If you have any questions feel free to contact the High School office at 417-452-3271.
