

Site Based Meeting Agenda

10/20/2016

I. Celebrations

Discussion: Recognized the Senior Range Team, the Senior Home Site Team, the Volleyball Team (1st in district) and the students who competed in the National Shooting Championship.

II. New Business

a. Go Over Board Policy for Site Based Team

Informational: Principal went over the Policy Review by the district over the summer. Principal went over board policy concerning Site Based Team including responsibilities and the makeup of the team. Committee discussed possible community members to be added to the committee. Principal said that he wanted to leave the committee intact for the following year but would look to reorganize committee at the end of the year to match policy.

b. Go Over Public Disclosure of Meeting Notes

Information: Principal went over the need to post notes on the district web site.

c. Review and Consider Campus/District Improvement Plan

Committee went over the campus and district improvement plan. There were some questions about some of the items but the committee voted to approve the plan.

d. Construction Update

Informational: Went over the possible timeline to begin construction on and around campus.

III. Concerns: Comments
