8.1—CLASSIFIED PERSONNEL SALARY SCHEDULE

For the purposes of this policy, an employee must work two thirds ($2/3$) of the number of their regularly assigned annual work days to qualify for a step increase.

The superintendent has the authority, when recommending an applicant and his/her placement on the District's salary schedule to the Board for its approval, to consider the applicant's previous work experience with similar duties, responsibilities, and skill sets to those job duties and responsibilities the applicant would assume for the District.

8.4—CLASSIFIED EMPLOYEES DRUG TESTING

Definitions

“Clearinghouse” means the Federal Motor Carrier Safety Administration Commercial Driver’s License Drug and Alcohol Clearinghouse.

“Database” means the Commercial Driver Alcohol and Drug Testing Database of the Office of Driver Services of the Arkansas Department of Finance and Administration.

“Safety-sensitive function” includes:

- a. All time spent inspecting, servicing, and/or preparing the vehicle;
- b. All time spent driving the vehicle;
- c. All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
- d. All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

“School Bus” is a motorized vehicle that meets the following requirements:

1. Is designed to carry more than ten (10) passengers;
2. Is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District; and
3. Is operated for the transportation of students from home to school, from school to home, or to and from school events.¹

Scope of Policy

Each person hired for a position that allows or requires the employee to operate a school bus shall meet the following requirements:

1. The employee shall possess a current driver’s license authorizing the individual to operate the size school bus the individual is being hired to drive²;
2. Have undergone a physical examination, which shall include a drug test,³ by a licensed physician or advanced practice nurse within the past two years; and
3. A current valid certification of school bus driver in service training.⁴

Each person’s initial employment for a job entailing a safety-sensitive function is conditioned upon:

- The district receiving a negative drug test result for that employee;⁵
- The employee submitting an electronic authorization through the Clearinghouse for the District to run a full query of the employee’s information in the Clearinghouse; and
- The employee’s signing a written authorization for the District to request information from:
 - The Database;⁶ and
 - Any U.S. Department of Transportation regulated employers who have employed the employee during any period during the two (2) years prior to the date of the employee’s application.

All employees who perform safety-sensitive functions shall annually⁷ submit a written authorization for the District to conduct a limited query of the employee’s information from the Clearinghouse. The District shall perform a limited query of all employees who perform safety-sensitive functions at least once each school year.

If the District's limited query of the Clearinghouse shows that information exists in the Clearinghouse that may prohibit the employee from performing safety-sensitive functions, the District shall conduct a full query of the Clearinghouse on the employee within twenty-four (24) hours of conducting the limited query. If the District is unable to conduct a full query within twenty-four (24) hours due to the twenty-four (24) hours falling on a weekend, holiday, or other day the District is closed or due to the failure of the employee to authorize the District to receive information resulting from the full query of the Clearinghouse, the employee shall not be permitted to perform any safety-sensitive function until the District conducts the full query and the results confirm that the employee's Clearinghouse record contains no prohibitions on the employee performing safety-sensitive functions.

Methods of Testing

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities ("Mandatory Guidelines for Federal Workplace Drug Testing Programs").

Requirements

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;
3. Receiving a citation for a moving traffic violation; and
4. Reasonable suspicion.

Prohibitions

- A. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;
- B. No driver shall use alcohol while performing safety-sensitive functions;
- C. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol;
- D. No driver required to take a post-accident alcohol test under # 2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner who, with knowledge of the driver's job responsibilities, has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;

- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

Testing for Cause

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.⁷⁸

Refusal to Submit

Refusal to submit to an alcohol or controlled substance test means that the driver:

- Failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

School bus drivers should be aware that refusal to submit to a drug test when the test is requested based on a reasonable suspicion can constitute grounds for criminal prosecution.

Consequences for Violations

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety sensitive functions. Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment.⁹

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable

observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of twenty-four (24) hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period no less than twenty-four (24) hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

Reporting Requirements

The District shall report the following information about an employee who performs safety-sensitive functions to the Clearinghouse by the close of the third (3rd) business day following the date the District obtained the information:¹⁰

1. An alcohol confirmation test result with an alcohol concentration of 0.04 or greater;
2. A negative return-to-duty test result;
3. A refusal to take an alcohol test;
4. A refusal to test determination; however, if the refusal to test determination is based on the employee’s admission of adulteration or substitution of the specimen, the District shall only report the admissions made to the specimen collector; and
5. A report that the driver has successfully completed all follow-up tests as prescribed in the Substance Abuse Professional report.

The District shall report the following violations for an employee who performs safety-sensitive functions by the close of the third (3rd) business day following the date the District obtains actual knowledge of:¹

1. On-duty alcohol use;
2. Pre-duty alcohol use;
3. Alcohol use following an accident; and
4. Controlled substance use.

Notes: This policy is similar to Policy 3.7. If you change this policy, review 3.7 at the same time to ensure applicable consistency between the two.

You are required to give drivers a copy of the procedures that will be used in the testing for drugs and alcohol. If you are following your own policy in this regard, give your drivers a copy of that policy; if you’re using a drug testing company to administer the tests, give your drivers a copy of the test administration procedures.

You are required to provide your drivers the name of the person you have designated to answer your drivers’ questions about the materials you give them regarding drug and alcohol testing.

You are also required to give your employees “information pertaining to the effects of alcohol and controlled substance use on an individual’s health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver’s or a co-worker’s); and available methods of intervening when an alcohol or a controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management.”

Give a copy of this policy to your drivers.

Have your drivers sign an acknowledgement that they have received all of the information contained in this policy and these footnotes.

¹ Students are not required to be transported on a school bus as long as the transporting vehicle is not scheduled for a regularly occurring route or takes a route that contains frequent stops to pick up or drop off students.

² The level of driver’s license the employee is required to have is determined by the seating capacity or weight of the vehicle. There are vehicles that meet the definition of a school bus but do not require that the employee hold a commercial driver’s license in order to operate the vehicle; however, any school bus that meets one of the following must be driven by an individual with a commercial driver’s license:

- a. Combination Vehicle (Group A)—having a gross combination weight rating or gross combination weight of 11,794 kilograms or more (26,001 pounds or more), whichever is greater, inclusive of a towed unit(s) with a gross vehicle weight rating or gross vehicle weight of more than 4,536 kilograms (10,000 pounds), whichever is greater; or
- b. Heavy Straight Vehicle (Group B)—having a gross vehicle weight rating or gross vehicle weight of 11,794 or more kilograms (26,001 pounds or more), whichever is greater; or
- c. Small Vehicle (Group C) that does not meet Group A or B requirements but that either:
 - Is designed to transport 16 or more passengers, including the driver; or
 - Is of any size and is used in the transportation of hazardous materials.

³ You have the option of also requiring an alcohol test, but you may not selectively require it, i.e. if you require it for one prospective employee you must require it for all prospective employees.

⁴ A.C.A. § 6-19-108(f) requires extracurricular trips be made only by certified bus drivers who have a valid proof of in service training certification.

⁵ While A.C.A. § 6-19-108(e) permits a district to hire a non-certified bus driver in an emergency situation, 49CFR382.301 forbids a first time driver (employee) from performing any safety sensitive functions prior to the district receiving a negative drug test for the employee. Therefore, ASBA advises not hiring a bus driver under A.C.A. § 6-19-108(e) until he/she has had a negative drug/alcohol test.

⁶ While the provisions for fines contained in 27-23-209 do not apply to school districts, school districts are still required to comply with this law. It is for this reason, along with simple prudence in not hiring a person who receives a positive drug/alcohol test, that this language is included. The request for information required by the state is in addition to the federal requirement (49 C.F.R. § 40.25(a)(b)) that you request drug and alcohol test results from any U.S. Department of Transportation regulated

employers who have employed the employee during any period during the two years prior to the date of the employee's application.

⁷ You may choose to have an employee submit a written authorization that is valid for a specific number of years instead of on an annual basis.

⁸ Employers are required to report to the Office of Driver Services of the Revenue Division of the Department of Finance and Administration within three (3) business days the results of an alcohol test if it was performed due to cause or as part of random testing and the results were positive or the employee refused to provide a specimen for testing.

⁹ The drivers required to have a teaching license as a prerequisite for their job are covered by Policy 3.7. Federal law requires you to remove them from safety-sensitive functions when a drug or alcohol related problem exists, but does not enter into the realm of dismissing them from their teaching duties. Bus drivers who are not also teaching licensed personnel are covered under this policy and may be dealt with given the specific provisions of their employment. ASBA recommends that licensed employees who are hired for driving a bus in addition to their teaching responsibilities be hired under separate contracts for each position.

¹⁰ When submitting a report, you are required to include all of the following information, as applicable, and provide a copy of the submitted information to the employee, which the employee should sign off on having received:

- a. The reason for the test;
- b. Employee's name, date of birth, and CDL number and State of issuance;
- c. District name, address, and USDOT number;
- d. Date of the test;
- e. Date the result was reported; and
- f. Test result, which must be one of the following:
 - Negative, which is only required for return-to-duty tests;
 - Positive; or
 - Refusal to take a test, which shall include the following additional documentation for an employee's refusal to take a test due to the employee's failure to appear for the test:
 - Documentation, including, but not limited to, electronic mail or other contemporaneous record of the time and date the employee was notified to appear at a testing site; and the time, date and testing site location at which the employee was directed to appear, or an affidavit providing evidence of such notification;
 - Documentation, including, but not limited to, electronic mail or other correspondence, or an affidavit, indicating the date the employee was terminated or resigned (if applicable);
 - Documentation, including, but not limited to, electronic mail or other correspondence, or an affidavit, showing that the C/TPA reporting the violation was designated as a service agent for an employer who employs himself/herself as an employee performing safety-sensitive functions when the reported refusal occurred (if applicable); and
- g. Documentation, including a certificate of service or other evidence, showing that the District provided the employee with all documentation reported under paragraphs (a) through (f) above.

¹ When submitting a report, you are required to include all of the following information, as applicable, and provide a copy of the submitted information to the employee, which the employee should sign off on having received:

- a. Employee's name, date of birth, CDL number and State of issuance;
- b. District name, address, and USDOT number;
- c. Date the District obtained actual knowledge of the violation;
- d. Witnesses to the violation, if any, including contact information;
- e. Description of the violation;
- f. Evidence supporting each fact alleged in the description of the violation, which may include, but is not limited to:
 - Affidavits;
 - Photographs;
 - Video or audio recordings;
 - Employee statements unless the admission is made in conformity with the District's written employer voluntary self-identification program or policy;
 - Correspondence; or
 - Other documentation; and
- g. A certificate of service or other evidence showing that the District provided the employee with all information reported under paragraphs (a) through (f) above.

8.5—CLASSIFIED EMPLOYEES SICK LEAVE

Definitions

1. “Employee” is an employee of the District working 20 or more hours per week who is not required to have a teaching license as a condition of his employment.
2. “Sick Leave” is absence from work due to illness, whether by the employee or a member of the employee’s immediate family, or due to a death in the family. The principal shall determine whether sick leave will be approved on the basis of a death outside the immediate family of the employee.
3. “Excessive Sick Leave” is absence from work, whether paid or unpaid, that exceeds twelve (12) days in a contract year for an employee and that is not excused pursuant to: District policy; the Family Medical Leave Act; a reasonable accommodation of disability under the American’s With Disabilities Act; or due to a compensable Workers’ Compensation claim.
4. “Grossly Excessive Sick Leave” is absence from work, whether paid or unpaid, that exceeds 10% of the employee’s contract length and that is not excused pursuant to: District policy; the Family Medical Leave Act; a reasonable accommodation of disability under the American’s With Disabilities Act; or due to a compensable Workers’ Compensation claim.
5. “Current Sick Leave” means those days of sick leave for the current contract year.
6. “Accumulated Sick Leave” is the total of unused sick leave, up to a maximum of ninety (90) days accrued from previous contracts, but not used. Accumulated sick leave also includes the sick leave transferred from an employee’s previous public school employment.²
7. “Immediate family” means an employee’s spouse, child, parent, or any other relative provided the other relative lives in the same household as the employee.

Sick Leave

The principal has the discretion to approve sick leave for an employee to attend the funeral of a person who is not related to the employee, under circumstances deemed appropriate by the principal.

Employees who are adopting or seeking to adopt a minor child or minor children may use up to ten (10) sick leave days in any school year for absences relating to the adoption, including time needed for travel, time needed for home visits, time needed for document translation, submission or preparation, time spent with legal or adoption agency representatives, time spent in court, and bonding time. See also, 8.23—CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE, which also applies. Except for bonding time, documentation shall be provided by the employee upon request.³

Pay for sick leave shall be at the employee’s daily rate of pay, which is that employee’s hourly rate of pay times the number of hours normally worked per day. Absences for illness in excess of the employee’s accumulated and current sick leave shall result in a deduction from the employee’s pay at the daily rate as defined above.

At the discretion of the principal (or Superintendent), and, if FMLA is applicable, subject to the certification or recertification provisions contained in policy 8.23—CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE the District may require a written statement from the employee’s physician documenting the employee’s illness. Failure to provide such documentation of illness may result in sick leave not being paid, or in discipline up to and including termination.

If the employee’s absences are excessive or grossly excessive as defined by this policy, disciplinary action may be taken against the employee, which could include termination or nonrenewal of the contract of employment.

The superintendent shall have the authority when making his/her determination to consider the totality of circumstances surrounding the absences and their impact on district operations or student services.

Sick Leave and Family Medical Leave Act (FMLA) Leave

When an employee takes sick leave, the District shall determine if the employee is eligible for FMLA leave and if the leave qualifies for FMLA leave. The District may request additional information from the employee to help make the applicability⁴ determination. If the employee is eligible for FMLA leave and if the leave qualifies under the FMLA, the District will notify the employee in writing, of the decision within five (5) workdays. If the circumstances for the leave as defined in policy 8.23—CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE don't change, the District is only required to notify the employee once of the determination regarding the applicability of sick leave and/or FMLA leave within any applicable twelve (12) month period. To the extent the employee has accumulated sick leave, any sick leave taken that qualifies for FMLA leave shall be paid leave and charged against the employee's accrued leave including, once an employee exhausts his/her accumulated sick leave, vacation or personal leave. See 8.23—CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE.

Sick Leave and Outside Employment

Sick leave related absence from work (e.g. sick leave for personal or family illness or accident, Workers Comp, and FMLA) inherently means the employee is also incapable of working at any source of outside employment. Except as provided in policy 8.36, if an employee who works a non-district job while taking district sick leave for personal or family illness or accident, Workers Comp, or FMLA, shall be subject to discipline up to and including termination.

Notes: ² A.C.A. § 6-17-1206(b)(2) requires that leave transferred from prior public school employment be used first. In addition, 1206(b)(3) requires that the leave, if any remains, be included in the total count of accumulated sick leave if the district pays out unused sick leave upon retirement.

³ Leave for adoption is protected by FMLA, but FMLA leave is unpaid unless otherwise provided for in policy.

⁴ As used in this policy, “applicable” is a very important word. Some leave taken under FMLA also applies to sick leave and therefore, the employee will get paid for the leave to the extent the employee has accumulated sick leave. Other leave taken under FMLA is not applicable to sick leave and therefore the FMLA leave is unpaid unless vacation or personal leave is available. For instance, if sick leave may be taken “for reason of personal illness or illness in the immediate family” (based on the statutory definition in A.C.A. § 6-17-1302), and an employee gives birth to a child, she may take sick leave for the amount of time that her personal physician deems it necessary for her to physically recover from childbirth. Once the medically necessary time has passed, sick leave is no longer appropriate and cannot be used. While under the FMLA, the employee could take additional time off work, she would need to take unpaid FMLA leave for this purpose, unless she had personal days or vacation days available. Consult policy 8.23— CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE when making the determination of what sick leave qualifies under both policies.

8.6—SICK LEAVE BANK—CLASSIFIED EMPLOYEES

A Sick Leave Bank will be established and maintained for classified personnel of the Hackett Public School System. Participation shall be on a voluntary basis with classified personnel contributing one (1) day of unused sick leave to the bank by September 15th each year. Classified personnel new to the district may join during the first thirty (30) days of their employment by contributing one day of their sick leave. Only classified personnel contributing to the bank will be eligible to request use of days from the bank. Any days remaining in the sick leave bank at the end of a school year will be carried over to the next school year and will be made available for use during the subsequent school year.

Classified personnel not participating in previous years may enroll in the sick leave bank by September 15th of any succeeding year by contributing one day of sick leave on the appropriate authorization form.

If the entire number of sick leave days is exhausted at any time, no claim may be made against the bank until solicitation of additional days is made the following September 15th. Bank days may not be retroactively awarded for any period of time during which there were no days in the bank.

The Sick Leave Bank will be administered by all classified bank members.

The determination of the committee shall be final.

Withdrawals

The Committee may, but is not obligated to, grant sick leave up to Ten (10) days per contract year for personal or family illness, disabilities or accidents (not including accidents for which the employee is receiving Workers' Compensation), which cause the employee to be absent from work and when the employee has exhausted all accumulated and current sick leave. Pregnancy, flu and colds are not eligible for sick leave bank days. Any COVID-19 related absences are not eligible for sick leave bank days.

Requests for withdrawal from the sick leave bank must state the reason(s) for the request and the number of days requested and must be accompanied by a detailed statement from an attending physician of the nature of the malady and the expected duration thereof.

If the information provided to the Committee is deemed by a majority of the Committee to be insufficient, the Committee may require additional information or deny the employee's request, at its discretion.

The Committee shall have the authority to grant, reduce or deny any request. However, the Committee may grant no request, or any granted time may be withdrawn, when the employee accepts retirement; is eligible for Social Security Disability; or other disability insurance or the employee returns to work.

Spousal Donations

District employees who are a legally married couple are eligible to utilize each other's sick leave. Written permission must be received for each day of donated sick leave. If the employees are paid at different rates of pay, the lesser rate of pay shall be used for the purpose of the donated sick leave days.

Notes:

This policy is similar to Policy 3.9. If you change this policy, review 3.9 at the same time to ensure applicable consistency between the two.

¹ ASBA recommends that each of the five (5) categories of classified employees designated in A.C.A. § 6-17-2303 have a representative on the committee. The five categories are:

- a. Maintenance and operations;
- b. Transportation;
- c. Food service;
- d. Secretarial and clerical; and
- e. Aids and paraprofessionals.

8.7—CLASSIFIED PERSONNEL PERSONAL AND PROFESSIONAL LEAVE

For the district to function efficiently and have the necessary personnel present to effect a high achieving learning environment, employee absences need to be kept to a minimum. The district acknowledges that there are times during the school year when employees have personal business that needs to be addressed during the school day. Each full-time employee shall have the option to use three (3) sick days as personal leave per contract year. The leave may be taken in increments of no less than ½ day.

Employees shall take personal leave or leave without pay for those absences which are not due to attendance at school functions which are related to their job duties and do not qualify for other types of leave (for sick leave see Policy 8.5, for professional leave see below).

“School functions”, for the purposes of this policy, means:

1. Athletic or academic events related to a public school district; and
2. Meetings and conferences related to education.

The determination of what activities meet the definition of a school function shall be made by the employee’s immediate supervisor or designee. In no instance shall paid leave in excess of allotted vacation days and/or personal days be granted to an employee who is absent from work while receiving remuneration from another source as compensation for the reason for their absence.

Any employee desiring to take personal leave may do so by making a written request to his/her supervisor at least twenty-four (24) hours prior to the time of the requested leave. The twenty-four hour requirement may be waived by the supervisor when the supervisor deems it appropriate.

Employees who fail to report to work when their request for a personal day has been denied or who have exhausted their allotted personal days, shall lose their daily rate of pay for the day(s) missed (leave without pay). While there are instances where personal circumstances necessitate an employee’s absence beyond the allotted days of sick and/or personal leave, any employee who requires leave without pay must receive advance permission (except in medical emergencies and/or as permitted by policy 8.23—CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE) from their immediate supervisor. Failure to report to work without having received permission to be absent is grounds for discipline, up to and including termination.

Personal leave does not accumulate from one contract year to the next.

Personal leave may not be taken the day before or the day after a holiday without specific permission from the Superintendent.

Professional Leave

“Professional Leave” is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., workshops or serving on professional committees) which can serve to improve the school District’s instructional program or enhances the employee’s ability to perform his duties. Professional leave will also be granted when a school District’s employee is subpoenaed for a matter arising out of the employee’s employment with the school District. Any employee seeking professional leave must make a written request to his immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The supervisor’s decision is subject to review and overruling by the superintendent. Budgeting

concerns and the potential benefit for the District's students will be taken into consideration in reviewing a request for professional leave.

Applications for professional leave should be made as soon as possible following the employee's discerning a need for such leave, but, in any case, no less than two (2) weeks before the requested leave is to begin, if possible.

If the employee does not receive or does not accept remuneration for his/her participation in the professional leave activity and a substitute is needed for the employee, the District shall pay the full cost of the substitute. If the employee receives and accepts remuneration for his/her participation in the professional leave activity, the employee shall forfeit his/her daily rate of pay from the District for the time the employee misses. The cost of a substitute, if one is needed, shall be paid by the employee unless prior authorization is provided for the District to pay the cost of a substitute.

Notes:

Please note that the provisions of A.C.A. § 21-4-216, which gives state employees eight (8) hours of paid leave to attend their children's school educational activities, do **NOT** apply to public school employees.

8.8—CLASSIFIED PERSONNEL RESPONSIBILITIES IN DEALING WITH SEX OFFENDERS ON CAMPUS

Individuals who have been convicted of certain sex crimes must register with law enforcement as sex offenders. Arkansas law places restrictions on sex offenders with a Level 1 sex offender having the least restrictions (lowest likelihood of committing another sex crime), and Level 4 sex offenders having the most restrictions (highest likelihood of committing another sex crime).

While Levels 1 and 2 place no restrictions prohibiting the individual's presence on a school campus, Levels 3 and 4 have specific prohibitions. These are specified in Policy 6.10—SEX OFFENDERS ON CAMPUS (MEGAN'S LAW) and it is the responsibility of district staff to know and understand the policy and, to the extent requested, aid school administrators in enforcing the restrictions placed on campus access to Level 3 and Level 4 sex offenders.

It is the intention of the board of directors that district staff not stigmatize students whose parents or guardians are sex offenders while taking necessary steps to safeguard the school community and comply with state law. Each school's administration should establish procedures so attention is not drawn to the accommodations necessary for registered sex offender parents or guardians.¹

Notes:

¹ For example, if a sex offender parent will arrive for conferences at the same time as other parents, staff should escort additional parents to their student's classroom, not just the sex offender parent. All principals, designees, and school employees who will or may have contact with the sex offender parents shall be required to keep confidential both the sex offender status and sex offender accommodations made for a parent.

8.9—PUBLIC OFFICE –CLASSIFIED PERSONNEL

An employee of the District who is elected to the Arkansas General Assembly or any elective or appointive public office (not legally constitutionally inconsistent with employment by a public school district) shall not be discharged or demoted as a result of such service.

No sick leave will be granted for the employee's participation in such public office. The employee may take personal leave or vacation (if applicable), if approved in advance by the Superintendent, during his/her absence.

Prior to taking leave, and as soon as possible after the need for such leave is discerned by the employee, he/she must make written request for leave to the Superintendent, setting out, to the degree possible, the dates such leave is needed.

An employee who fraudulently requests sick leave for the purpose of taking leave to serve in public office may be subject to nonrenewal or termination of his/her employment contract.

8.10—JURY DUTY and MILITARY LEAVE—CLASSIFIED PERSONNEL

Employees are not subject to discharge, loss of sick leave, loss of vacation time or any other penalty due to absence from work for jury duty, upon giving reasonable notice to the District through the employee's immediate supervisor.

The employee must present the original (not a copy) of the summons to jury duty to his/her supervisor in order to confirm the reason for the requested absence.

Employees shall receive their regular pay from the district while serving jury duty, and shall reimburse the district from the stipend they receive for jury duty, up to, but not to exceed, the cost of the substitute hired to replace the employee in his/her absence.

Military Leave

Regular full-time Hackett School District employees who are members of the National Guard or any of the reserve branches of the U.S. Armed Forces will be granted leave at the rate of fifteen (15) working days (120 hours) per calendar year, plus necessary travel time for annual military training purposes. Up to fifteen (15) unused military leave days may be carried over to the succeeding year for the maximum of thirty (30) military leave days for that calendar year. Military leave for annual training or other official duties must be granted without loss of pay in addition to holiday, sick and annual leave to attend these scheduled drills or training.

Employees who need additional military leave for training purposes can use their accrued leave (such as annual, holiday or comp, if any) until such leave is exhausted and then military LWOP will be used.

The employee must provide written or oral notification prior to going on duty, unless precluded by military necessity. Employees are encouraged to notify their employer or any "window" or anticipated military activity including scheduled drills and annual training.

Active Duty for Military Services

A regular, full-time employee who is drafted or called to active duty in the Armed Forces of the United States or who volunteers for military service shall be placed on extended military LWOP; all unused sick leave at the time of military leave will be reinstated at the time the employee returns to state employment. All accrued, unused annual leave at the time of military leave will be reinstated at the time employee returns to state employment unless the employee requested and received a lump-sum payment for the accrued, unused annual leave when placed on the extended military leave.

When the employee is released from active duty and upon application within ninety (90) days after the effective day of his or her release, he or she shall be reinstated to the position vacated or an equivalent position for which he or she is qualified in the same agency or its successor in interest. The employee shall not lose any seniority rights or any of the other benefits and privileges of employment.

Employees performing active military service for fewer than thirty-one (31) days must report for reemployment on the first regularly scheduled workday within eight (8) hours after discharge from military service. Those

serving more than thirty (30) but less than one hundred and eighty-one (181) days must report within fourteen (14) days after discharge. Those serving more than one hundred and eighty (180) days must report for reemployment within ninety (90) days after discharge from military service.

Former employees returning to State service after military service, but who extended their enlistment or re-enlisted for additional military service beyond the initial period for more than a period for four (4) years will lose all re-instatement rights and will be considered a rehire. Military service time may be extended beyond the five (5) year period for reasons stated in 38 US Code Section 4312(c).

Called to Active Duty in Emergency Situation

Regular, full-time state agency and institution of higher education employees who are called to active duty in emergency situations (and in situations covered by 10 United States Code 12304) as declared by the Governor or President shall be granted leave with pay not to exceed thirty (30) working days per calendar year. Periods beyond the thirty (30) day limit may be charged to annual leave at the employee's option and if necessary, to leave without pay.

Emergency situations mean any case of invasion, disaster, insurrection, riot, breach of peace, or imminent danger; threats to the public health or security; or threats to the maintenance of law and order.

The reinstated employee will not lose any seniority rights with respect to leave accrual rates, salary increases, Reduction in Force policies, or other benefits and privileges or employment. The period of military service, for purposes of computations to determine whether such persons may be entitled to retirement benefits, should be deemed continuous service and the employee shall not be required to make any contributions to any state supported retirement fund. To receive service credit for retirement purposes, a copy of the employee's DD214 must be submitted to the appropriate retirement system. The retirement system will notify the appropriate agency to remit the employer's contributions to update the employee's account.

If an employee's active duty in emergency situations begins in one calendar year and ends in the next calendar year and the employee is subsequently redeployed due to an emergency situation, the employee is eligible for thirty (30) days paid leave in the new calendar year. For an employee to be eligible for emergency active military duty paid leave, the employee must be actively employed by the state and submit a copy of military orders for each emergency deployment.

Military leave for emergency active duty situations is granted in addition to annual military leave for training purposes and annual leave.

Active Duty for the Purpose of Specialized Training

In cases where an employee volunteers or is ordered to active duty for the purpose of special training, the employee will be placed on leave without pay for the period of training unless the employee elects to use his accrued annual leave. Leave without pay is given in addition to the paid leave for annual military training.

The employee retains eligibility rights including accumulated annual leave (unless the above option has been exercised) and any sick leave not used at the time the employee begins the training.

The employee does not accumulate annual or sick leave during a leave without pay period and the annual leave accrual rate will be calculated as though there had been no period of absence.

8.11—OVERTIME, COMPTIME, and COMPLYING WITH FLSA

The Hackett School District shall comply with those portions of the Fair Labor Standards Act (FLSA) that relate to the operation of public schools. The FLSA requires that covered employees receive compensation for each hour worked at greater than or equal to the applicable minimum wage for work weeks of less than or equal to forty (40) hours.^A It also requires that employees be compensated for workweeks of greater than forty (40) hours at one and a half (1 ½) times their regular hourly rate of pay, either monetarily^B or through compensatory time off^C.

Definitions

“Covered Employees” (also defined as non-exempt employees) are those employees who are not exempt, generally termed classified, and include bus drivers, clerical workers, maintenance personnel, custodians, transportation workers, receptionists, paraprofessionals, food service workers, secretaries, and bookkeepers.

“Exempt Employees” are those employees who are not covered under the FLSA because the employee’s:^{1,D}

- A. Primary job duties are considered to be exempt eligible due to being administrative or professional in nature. Examples include teachers, counselors, registered nurses, and supervisors; and
- B. Salary meets or exceeds a minimum weekly/annual amount.

Any employee who is unsure of their coverage status should consult with the District’s Administration.

“Overtime” is hours worked in excess of forty (40) per workweek. Compensation given for hours **not** worked such as for holidays or sick days do **not** count in determining hours worked per work week.^E

“Regular Rate of Pay” includes all forms of remuneration for employment² and shall be expressed as an hourly rate.^F For those employees previously paid on a salary basis, the salary shall be converted to an hourly equivalent. Employees shall be paid for each and every hour worked.

“Straight time pay” is the amount of hourly compensation an employee receives for each hour worked during that week.

“Workweek” is the seven day consecutive period of time from 12:00AM on Sunday to midnight on the following Saturday.³ Each workweek is independent of every other workweek for the purpose of determining the number of hours worked and the remuneration entitled to by the employee for that week.^G

Employment Relationships

The District does not have an employment relationship in the following instances:

- 1. Between the District and student teachers;
- 2. Between the District and its students; and
- 3. Between the District and individuals who as a public service volunteer or donate their time to the District without expectation or promise of compensation.

The District does not have a joint employment relationship in the following instances:

- a. Between the District and off-duty policemen or deputies who are hired on a part-time basis for security purposes or crowd control. The District is separate from and acts independently of other governmental entities.

- b. Between the District and any agency contracted with to provide transportation services, security services, substitute teachers or other temporary employees, or other services.

Hours Worked

Employees shall be compensated for all the time they are required to be on duty^H and shall be paid for all hours worked each workweek. Employees shall accurately record the hours they work each week.^I

The District shall determine the manner to be used by employees to accurately record the hours they work. Each employee shall record the exact time they commence and cease work including meal breaks. Employees arriving early may socialize with fellow workers who are off the clock, but shall not commence working without first recording their starting time.^J

Employees shall sign in/clock in where they start work and sign out/clock out at the site where they cease working. Employees who do not start and end their workday at the same site shall carry a time card or sheet with them to accurately record their times. They shall turn in their time sheets or cards to their immediate supervisor no later than the following Monday morning after reviewing them to be sure that they accurately reflect their hours worked for that week.⁴

Each employee is to personally record his or her own times. Any employee who signs in or out (or who punches a time clock) for another employee or who asks another employee to do so for him or her will be dismissed.

Employees whose normal workweek is less than forty (40) hours and who work more than their normal number of hours in a given workweek may, at the District's option, be given compensatory time for the hours they worked in excess of their normal workweek in lieu of their regular rate pay. Compensatory time given in this manner shall be subject to the same conditions regarding accumulation and use as compensatory time given in lieu of overtime pay.

Breaks and Meals

Each employee working more than twenty (20) hours per week shall be provided two (2), paid, fifteen (15) minute duty free breaks per workday.^K

Meal periods that are less than thirty (30) minutes in length or in which the employee is not relieved of duty are compensable.^L Employees with a bona fide meal period shall be completely relieved of their duty to allow them to eat their meal, which they may do away from their work site, in the school cafeteria, or in a break area.

The employee shall not engage in any work for the District during meal breaks except in rare and infrequent emergencies.

Overtime

Covered employees shall be compensated at not less than one and a half (1.5) times his or her regular rate of pay for all hours worked over forty (40) in a work week.^M Overtime compensation shall be computed on the basis of the hours worked in each week and may not be waived by either the employee or the District. Overtime compensation shall be paid on the next regular payday for the period in which the overtime was earned.^N

The rate of overtime pay for employees who work two (2) or more jobs for the District at different rates of pay shall be determined by creating a weighted average of the different rates (a.k.a. blended rate).^O The weighted average will be calculated by multiplying the number of hours worked during that week for each position by the position's rate of pay, combining the resulting amounts for each position (straight time pay), and dividing the straight time pay by the total number of hours the employee worked in that week. The weighted average will then be multiplied by one half (0.5), which will then be multiplied by the number of hours the employee worked that week over forty (40).⁵

Provided the employee and the District have a written agreement or understanding before the work is performed,^P compensatory time off may be awarded in lieu of overtime pay for hours worked over forty (40) in a workweek and shall be awarded on a one-and-one-half (1 1/2) time basis for each hour of overtime worked.^Q The District reserves the right to determine if it will award compensatory time in lieu of monetary pay for the overtime worked. The maximum number of compensatory hours an employee may accumulate at a time is twenty (20).⁶ The employee must be able to take the compensatory time off within a reasonable period of time that is not unduly disruptive to the District.

An employee whose employment is terminated with the District, whether by the District or the employee, shall receive monetary compensation for unused compensatory time. Of the following methods, the one that yields the greatest money for the employee shall be used.

1. The average regular rate received by the employee during the last 3 years of employment. Or
2. The final regular rate received by the employee.^R

Overtime Authorization

There will be instances where the district's needs necessitate an employee work overtime. It is the Board's desire to keep overtime worked to a minimum. To facilitate this, employees shall receive authorization from their supervisor in advance of working overtime except in the rare instance when it is unforeseen and unavoidable.

All overtime worked will be paid in accordance with the provisions of the FLSA, but unless the overtime was pre-approved or fit into the exceptions noted previously, disciplinary action shall be taken for failure to follow District policy. In extreme and repeated cases, disciplinary action could include the termination of the employee.

Leave Requests

All covered employees shall submit a leave request form prior to taking the leave if possible. If a request for leave was not possible in advance due to unforeseen or emergency circumstances, the leave form shall be turned in the day the employee returns to work. Unless specifically granted by the Board for special circumstances, the reason necessitating the leave must fall within District policy.

Payment for leave could be delayed or not occur if an employee fails to turn in the required leave form. Leave may be taken in a minimum of four (4) hour increments.⁷

Record Keeping^S and Postings^T

The District shall keep and maintain records as required by the FLSA for the period of time^U required by the act.⁸

The District shall display minimum wage posters where employees can readily observe them.⁹

Cooperation with Enforcement Officials^V

All records relating to the FLSA shall be available for inspection by, and District employees shall cooperate fully with, officials from the Department of Labor (DOL) and/or its authorized representatives in the performance of their jobs relating to:

- a. Investigating and gathering data regarding the wages, hours, and other conditions and practices of employment;
- b. Entering, inspecting, and/or transcribing the premises and its records;
- c. Questioning employees and investigating such facts as the inspectors deem necessary to determine whether any person has violated any provision of the FLSA.

Notes: ¹Registered nurses fall under the “Learned Professional” exemption of the FLSA; however, this exemption does not apply to LPNs.

While the DOL removed the bright line rule that a supervisor may not spend more than twenty percent (20%) of work time in a week performing non-supervisory duties, a supervisor must still commit a majority of time to supervisory duties and the higher the percentage of time each week the better.

Except for teachers and other staff whose primary job duties requires the employee to have a valid teaching license, in order for an employee to be an exempt employee under this policy, the Wage and Hour Division of the DOL requires the employee to receive a minimum amount of gross income on a weekly or annual basis. Currently, an employee must receive a minimum of six hundred eighty-four dollars (\$684) a week or \$35,568 annually to be exempt.

² If you provide your employee a benefit in the form of goods or a facility, the reasonable cost or the fair value of the lodging (per week) must be added to the cash wages before the regular rate is determined.

³ Select any consecutive one hundred sixty-eight (168) hours period (seven (7) days) that will work best for your district.

⁴ Devise a system that will work for your district. The point is to have an accurate and verifiable record of the hours worked by each employee. While carrying time cards around can be a hassle, you don’t want to lose excessive work time from an employee having to walk excessively to and from their time sheet. Time clocks are obviously an accurate and verifiable record of hours worked, but they are not without drawbacks. First, they are not cheap to initially purchase and then to configure for your district as a whole. Second, employees can unintentionally take less than thirty (30) minute meal times (by forgetting the exact time they clock out), which makes that time compensable.

⁵ Example: Employee has two (2) jobs for the district that each pay a different rate: job A pays eight dollars (\$8) per hour and job B pays ten dollars (\$10) per hour. One week, Employee works fifty (50) hours: twenty-six (26) hours for job A and twenty-four (24) hours for job B. 26 hours at \$8 = \$208 and 24 hours at \$10 = 240. \$208 + \$240 = \$448 (straight time pay). \$448 divided by 50 = \$8.96 (weighted

average). $\$8.96 \times 0.5 = \4.48 . $\$4.48 \times 10 \text{ hours} = \44.80 . $\$448 + \$44.80 = \$492.80$. Therefore, the employee will be paid four hundred ninety-two dollars and eighty cents (\$492.80) for the week.

The reason why it appears that a person who works two differently paid jobs receives such a small amount per hour for overtime pay is because the payment formula takes into account that you have already paid the person their standard rate of pay for the additional hours worked as part of the employee's straight time pay so you are only needing to determine the additional one half (0.5) the employee is eligible to receive for each hour of overtime. For more information visit http://www.twc.state.tx.us/news/eft/e/employees_two_rates.html.

⁶ The employee shall use the comp time within a "reasonable" period of time so long as it does not "unduly disrupt" the district's operations. Comp time does not have to be offered to all employees, nor does the agreement have to be the same for all employees.

⁷ The DOL does not recognize leave in the form of "days" for hourly employees even though that is how Arkansas law (A.C.A. § 6-17-1304) prescribes them. The DOL requires they be attributed in hourly allotments. You can choose the minimum amount of leave that may be used at one time.

⁸ 29 CFR § 516.2–516.9 and 29 CFR § 553.50 list the records that are required to be kept.

⁹ The district must display minimum wage posters in "conspicuous places" (each work site). They can be downloaded from the DOL by going to <http://www.dol.gov/whd/regs/compliance/posters/flsa.htm>

8.12—CLASSIFIED PERSONNEL OUTSIDE EMPLOYMENT

An employee of the District may not be employed in any other capacity during regular working hours.

An employee may not accept employment outside of his/her district employment which will interfere, or otherwise be incompatible with the District employment, including normal duties outside the regular work day; nor shall an employee accept other employment which is inappropriate for an employee of a public school.

The Superintendent, or his designee(s), shall be responsible for determining whether outside employment is incompatible, conflicting, or inappropriate.

When a classified employee is additionally employed by the District by a contract for a second classified position or to perform supplementary duties for a stipend or multiplier, the duties, expectations, and obligations of the primary position employment contract shall prevail over all other employment duties unless the needs of the district dictate otherwise. If there is a conflict between the expectations of the primary position and any other contracted position, the employee shall notify the employee's building principal as far in advance as is practicable. The Building principal shall verify the existence of the conflict by contacting the supervisor of the secondary contracted position. The building principal shall determine the needs of the district on a case-by-case basis and rule accordingly. The principal's decision is final with no appeal to the Superintendent or the School Board. Frequent conflicts or scheduling problems could lead to the non-renewal or termination of the conflicting contract of employment or the contract to perform the supplementary duties.

For employees who work two or more jobs for the District, the superintendent or designee shall specify which is the employee's primary job. If circumstances change, the determination can be changed to reflect the current needs of the District. Furthermore, if on any given day, one of the employee's jobs requires more hours worked than is customary, the District reserves the right to lessen the number of hours the employee may work in his/her other job such that the employee does not exceed forty (40) hours worked in that week.¹

Sick Leave and Outside Employment

Sick leave related absence from work (e.g. sick leave for personal or family illness or accident, Workers Comp, and FMLA) inherently means the employee is also incapable of working at any source of outside employment. Except as provided in policy 8.26, if an employee who works a non-district job while taking district sick leave for personal or family illness or accident, Workers Comp, or FMLA shall be subject to discipline up to and including termination.

Notes: This policy is similar to Policy 3.18. If you change this policy, review 3.18 at the same time to ensure applicable consistency between the two.

¹ The fact that a district may reduce an employee's hours for one job due to extra hours being worked in the employee's second job does NOT permit the district to require the same duties in the reduced hours job, but merely pay for it to be done in fewer hours. Please also note that districts are obligated under the Fair Labor Standards Law (FLSA) (see policy 8.11) to pay every hourly employee (other than those few classified employees who meet FLSA's definition of "supervisor") for every minute worked.

Classified employees' wages have to be based on an hourly wage even if paid as a salary; there are methods for determining the "blended" rate for employees working more than 40 hours in a week who are paid on the basis of more than one hourly wage. These requirements also apply to the calculation of stipends.

8.13—CLASSIFIED PERSONNEL EMPLOYMENT

All prospective employees must fill out an application form provided by the District, in addition to any resume provided; all of the information provided is to be placed in the personnel file of those employed.

If the employee provides false or misleading information, or if he/she withholds information to the same effect, it may be grounds for dismissal. In particular, it will be considered a material misrepresentation and grounds for termination of contract of employment if an employee's application information is discovered to be other than as was represented by the employee, either in writing on application materials or in the form of representations made to the school district.

It is grounds for termination of contract of employment if an employee fails a criminal background check or receives a true report on the Child Maltreatment Central Registry check.¹ All classified employees shall complete, at District expense a criminal records background check and Child Maltreatment Central Registry check at least one (1) time every five (5) years.

An employee who receives notification of a failure to pass a criminal background check or a true result on the Child Maltreatment Central Registry check shall have thirty (30) days following the notification to submit to the superintendent, or designee, a written request for a hearing before the Board to request a waiver. The written request should include any documentation, such as police reports, or other materials that are related to the event giving rise to the failed background check or true result on the Child Maltreatment Registry as well as information supporting your request for the waiver. Employees requesting a board hearing to request a waiver should be aware that this hearing is subject to the Arkansas Freedom of Information Act and it must be fully open to the public as a result.

For unlicensed individuals employed as teachers or administrators under a waiver, all teachers who begin employment in the 2023-2024 school year and each school year thereafter shall demonstrate proficiency or awareness in knowledge and practices in scientific reading instruction as is applicable to their teaching position by completing the prescribed proficiency or awareness in knowledge and practices of the scientific reading instruction credential either as a condition of licensure or within one (1) year for teachers who are already licensed or employed as a teacher under a waiver from licensure.²

Before the superintendent may make a recommendation to the Board that an individual be hired by the District, the superintendent shall check the Arkansas Educator Licensure System to determine if the individual has a currently suspended or revoked teaching license or a current Level 3 or Level 4 public notification of ethics violation. An individual with a currently suspended license or whose license has been revoked by the State Board of Education is not eligible to be employed by the District; this prohibition includes employment as a substitute teacher, whether directly employed by the District or providing substitute teaching services under contract with an outside entity. An individual with a current Level 3 or Level 4 public notification of ethics violation shall not be recommended for employment by the District.

The District is an equal opportunity employer and shall not discriminate on the grounds of race, color, religion, national origin, sex, pregnancy, sexual orientation, gender identity, age, disability, or genetic information.³

Inquiries on non-discrimination may be directed to High School Principal, who may be reached at The High School Office, 479-638-7003.

Any person may report sex discrimination, including sexual harassment, to the Title IX Coordinator in person or by using the mailing address, telephone number, or email address provided above. A report may be made at any time, including during non-business hours, and may be on the individual's own behalf or on behalf of another individual who is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment.

For further information on notice of non-discrimination or to file a complaint, visit <https://www2.ed.gov/about/offices/list/ocr/complaintintro.html>; for the address and phone number of the office that serves your area, or call 1-800-421-3481.

In accordance with Arkansas law⁶, the District provides a veteran preference to applicants who qualify for one of the following categories:

1. a veteran without a service-connected disability;
2. a veteran with a service-connected disability; and
3. a deceased veteran's spouse who is unmarried throughout the hiring process.

For purposes of this policy, "veteran" is defined as:

- a. A person honorably discharged from a tour of active duty, other than active duty for training only, with the armed forces of the United States; or
- b. Any person who has served honorably in the National Guard or reserve forces of the United States for a period of at least six (6) years, whether or not the person has retired or been discharged.

In order for an applicant to receive the veteran's preference, the applicant must be a citizen and resident of Arkansas, be substantially equally qualified as other applicants and do all of the following:

1. Indicate on the employment application the category the applicant qualifies for;
2. Attach the following documentation, **as applicable**, to the employment application:
 - Form DD-214 indicating honorable discharge;
 - A letter dated within the last six months from the applicant's command indicating years of service in the National Guard or Reserve Forces as well as the applicant's current status;
 - Marriage license;
 - Death certificate;
 - Disability letter from the Veteran's Administration (in the case of an applicant with a service-related disability).

Failure of the applicant to comply with the above requirements shall result in the applicant not receiving the veteran preference; in addition, meeting the qualifications of a veteran or spousal category does not guarantee either an interview or being hired.

Notes: This policy is similar to Policy 3.19. If you change this policy, review 3.19 at the same time to ensure applicable consistency between the two.

¹ An expunged, sealed, or pardoned conviction shall not disqualify a person from employment unless the conviction involves the physical or sexual injury, mistreatment, or abuse of another.

² If you do not have a waiver to employ individuals as teachers or administrators without a license, remove this paragraph.

³ A copy of the non-discrimination statement should be included in all district publications unless the publication is intended only for students and parents. Publications intended only for students and parents should include the nondiscrimination clause in Policy 4.11—EQUAL EDUCATIONAL OPPORTUNITY.

While 34 C.F.R. § 106.8 requires that an individual be able to submit a report, including by telephone, both inside and outside of business hours, we do not believe that this requires that the Title IX Coordinator must be on-call to receive phone calls at any time; instead, the number provided for individuals to use must allow individuals wanting to report sexual discrimination or sexual harassment to the Title IX Coordinator to be able to leave a voice message for the Title IX Coordinator.

⁶ A.C.A. § 21-3-301 et seq. includes public schools in the list of employers required to provide a preference to applicants who qualify for a veteran or a deceased veteran's spouse category when selecting interview candidates, during the interview process, and in selecting a new employee.

A.C.A. § 21-3-302 covers the requirements for giving a veteran preference during the application, interview, and hiring processes. The statute does not require districts to use a particular scoring method to demonstrate giving a preference and districts can continue using the system they have previously been using. However, A.C.A. § 21-3-302 and A.C.A. § 21-3-303 require districts be able to demonstrate that any qualifying applicant was given a preference during the entire application, interview, and hiring processes.

If a veteran who is not hired requests, the district must provide the veteran with his/her base score, adjusted score, and the successful candidate's score. While there is no statutorily required method, ASBA suggests districts use a numerical scoring rubric for the entire hiring process. The use of such a rubric makes it easy to demonstrate a preference was given as you can point to where qualifying applicants received additional points. Districts that don't use a numerical scoring method are required, upon a veteran's request, to provide all documentation allowed to be released under FOIA to the veteran to demonstrate how the preference was used to develop the list of qualified candidates to be interviewed and to select the person actually hired.

8.14—CLASSIFIED PERSONNEL REIMBURSEMENT OF TRAVEL EXPENSES

Employees shall be reimbursed for personal and/or travel expenses incurred while performing duties or attending workshops or other employment-related functions, provided that prior written approval for the activity for which the employee seeks reimbursement has been received from the Superintendent, principal (or other immediate supervisor with the authority to make school approvals), or the appropriate designee of the Superintendent and that the employee's attendance/travel was at the request of the district.

It is the responsibility of the employee to determine the appropriate supervisor from which he/she must obtain approval.

Reimbursement claims must be made on forms provided by the District and must be supported by appropriate, original receipts. Copies of receipts or other documentation are not acceptable, except in extraordinary circumstances.

The provisions of policy 7.12—EXPENSE REIMBURSEMENT are incorporated by reference into this policy.

Smoking or use of tobacco or products containing tobacco in any form (including, but not limited to, cigarettes, cigars, chewing tobacco, and snuff) in or on any real property owned or leased by a District school, including school buses owned or leased by the District, or other school vehicles is prohibited.

With the exception of recognized tobacco cessation products, this policy's prohibition includes any tobacco or nicotine delivery system or product. Specifically, the prohibition includes any product that is manufactured, distributed, marketed, or sold as e-cigarettes, e-cigars, e-pipes, or under any other name or descriptor.

Violation of this policy by employees shall be grounds for disciplinary action up to, and including, dismissal.

Notes: The statute requires the statute's posting "...in a conspicuous location at every entrance to each building owned or leased by a public school district and every school bus used to transport students"

This model policy tracks the state law referenced below. It is not required to be in District policies, but it could be useful in informing employees of the statutory prohibition on all tobacco use.

Employees are free to engage in political activity outside of work hours and to the extent that it does not affect the performance of their duties or adversely affect important working relationships.

It is specifically forbidden for employees to engage in political activities on the school grounds or during work hours. The following activities are forbidden on school property:

1. Using students for preparation or dissemination of campaign materials;
2. Distributing political materials;
3. Distributing or otherwise seeking signatures on petitions of any kind;
4. Posting political materials; and
5. Discussing political matters with students, in or out of the classroom, in other than circumstances appropriate to the employee's responsibilities to the students and where a legitimate pedagogical reason exists.

8.18—CLASSIFIED PERSONNEL DEBTS

For the purposes of this policy, "garnishment" of a district employee is when the employee has lost a lawsuit to a judgment creditor who brought suit against a school district employee for an unpaid debt, has been awarded money damages as a result, and these damages are recoverable by filing a garnishment action against the employee's wages. For the purposes of this policy, the word "garnishment" excludes such things as child support, student loan or IRS liens or deductions levied against an employee's wages.

All employees are expected to meet their financial obligations. If an employee writes "hot" checks or has his/her income garnished by a judgment creditor, dismissal may result.

An employee will not be dismissed for having been the subject of one (1) garnishment. However, a second or third garnishment may result in dismissal.

At the discretion of the Superintendent, he/she or his/her designee may meet with an employee who has received a second garnishment for the purpose of warning the employee that a third garnishment will result in a recommendation of dismissal to the School Board.

At the discretion of the Superintendent, a second garnishment may be used as a basis for a recommended dismissal. The Superintendent may take into consideration other factors in deciding whether to recommend dismissal based on a second garnishment. Those factors may include, but are not limited to, the amount of the debt, the time between the first and the second garnishment, and other financial problems which come to the attention of the District.

8.19—CLASSIFIED PERSONNEL GRIEVANCES

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

Definitions

“Employee” means any person employed under a written contract by this school district.

“Grievance” means a claim or concern raised by an individual employee of this school district related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules; federal laws and regulations; state laws and rules; or terms or conditions of employment. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an employee under his/her supervision.¹ A group of employees who have the same grievance may file a group grievance.

“Group Grievance” means a grievance that may be filed as a group if all of the following criteria are met and the group’s issue is a subject that may be grieved under this policy’s definition of grievance:

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Simply meeting all of the criteria above alone does not ensure that the subject presented by the group is eligible to be grieved.

“Immediate Supervisor” means the person immediately superior to an employee who directs and supervises the work of that employee.

“Working day” means any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

Process

Level One: An employee who believes that he/she has a grievance shall inform that employee’s immediate supervisor that the employee has a potential grievance. Except for a grievance concerning back pay, the employee must inform his/her immediate supervisor of the existence of a potential grievance within five (5) working days of the occurrence of the grievance. The supervisor shall schedule a conference with the employee to hear the employee’s potential grievance that shall be held no later than five (5) working days after the supervisor is informed of the existence of the potential grievance and offer the employee an opportunity to have a witness or representative who is not a member of the employee’s immediate family present at their conference. If the grievance is not advanced to Level Two within five (5) working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five (5) working days of the discussion with the immediate supervisor, citing the manner in which the specific

personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten (10) working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee's immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten (10) working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the principal will have ten (10) working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five (5) working days from the date of the principal's written response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten (10) working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten (10) working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five (5) working days of his/her receipt of the principal's written reply. The superintendent will have ten (10) working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten (10) working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Directors within five (5) working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent². If the grievance is not appealed to the Board of Directors within five (5) working days of his/her receipt of the superintendent's written response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. Based on a review of the Level Two Grievance Form and the superintendent's reply, the board shall:

For a grievance filed as an individual, determine if the grievance, on its face, is a subject that may be grieved under district policy.

- a. For a grievance that is filed as a group grievance, review the composition of the group and either:

- Rule that the group has met the requirements to qualify as a group grievance and then determine whether the matter of the grievance is, on its face, a subject that may be grieved under District policy; or
- Rule that the composition of the group does not meet the definition of a group grievance under District policy.

If the Board rules that the grievance, whether filed as an individual or as a group, is not a subject that may be grieved, the matter shall be considered closed. If the Board rules that the composition of the group does not meet the definition of a group grievance under District policy, employees who had filed a grievance as part of a group grievance that the Board ruled to not meet the policy's definition of a group grievance may choose to subsequently file an individual grievance by starting with Level One of the process; in such cases, a grievance will be considered to be timely filed if the notification of the employee's supervisor requirement under Level 1 is made within five (5) work days of the Board meeting where the Board ruled that the proposed group grievance did not meet the policy's definition of a group grievance.

If the Board rules the grievance to be a subject that may be grieved, they shall immediately commence a hearing on the grievance. All parties have the right to representation at the appeal hearing by a person of their own choosing except that no party shall be represented by an individual who is a member of the employee's immediate family. The employee shall have no less than ninety (90) minutes to present his/her grievance, unless a shorter period is agreed to by the employee, and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open to the public, the parent or guardian of any student under the age of eighteen (18) years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

Records

Records related to grievances will be filed separately and will not be kept in, or made part of, the personnel file of any employee.

Reprisals

No reprisals of any kind will be taken or tolerated against any employee because he/she has filed or advanced a grievance under this policy.

Notes: This policy is similar to Policy 3.25. If you change this policy, review 3.25 at the same time to ensure applicable consistency between the two.

¹ It is important to understand the implications of the language contained in this paragraph. Only matters specified in the first sentence of the paragraph are, in fact, subjects that may be grieved, but that cannot prohibit an employee from filing a grievance which the administration does not deem to be a subject that may be grieved and nonetheless advancing it through the grievance process. Ultimately, it is the board that determines whether or not the matter is actually a subject that may be grieved by comparing the written grievance to the definition of grievance in the grievance policy, and continuing

on with the hearing only if the grievance is determined to be within the definition. This is addressed in the “Appeal to the Board of Directors” section.

² It is suggested that you date stamp the request for a board hearing upon receipt.

8.20—CLASSIFIED PERSONNEL SEXUAL HARASSMENT

The Hackett School District is committed to providing an academic and work environment that treats all students and employees with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational and work environment and will not be tolerated.

The District believes the best policy to create an educational and work environment free from sexual harassment is prevention; therefore, the District shall provide informational materials and training to students, parents/legal guardians/other responsible adults, and employees on sexual harassment. The informational materials and training on sexual harassment shall be age appropriate and, when necessary, provided in a language other than English or in an accessible format. The informational materials and training shall include, but are not limited to:

- the nature of sexual harassment;
- The District's written procedures governing the formal complaint grievance process;¹
- The process for submitting a formal complaint of sexual harassment;
- That the district does not tolerate sexual harassment;
- That students and employees can report inappropriate behavior of a sexual nature without fear of adverse consequences;
- The supports that are available to individuals suffering sexual harassment; and
- The potential discipline for perpetrating sexual harassment.

Definitions

"Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

"Education program or activity" includes locations, events, or circumstances where the District exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

"Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting an investigation of the allegation of sexual harassment.

"Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

"Sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee:
 - a. Conditions the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;² or
 - b. Uses the rejection of unwelcome sexual conduct as the basis for academic decisions affecting that individual;²
2. The conduct is:
 - a. Unwelcome; and
 - b. Determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

- c. Constitutes;
- d. Sexual assault;
- e. Dating violence
- f. Domestic violence; or
- g. Stalking.

“Supportive measures” means individualized services that are offered to the complainant or made available to the respondent designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party. The supportive measures must be non-disciplinary and non-punitive in nature; offered before or after the filing of a formal complaint or where no formal complaint has been filed; and offered to either party as appropriate, as reasonably available, and without fee or charge. Examples of supportive measures include, but are not limited to: measures designed to protect the safety of all parties or the District’s educational environment, or deter sexual harassment; counseling; extensions of deadlines or other course-related adjustments; modifications of work or class schedules; campus escort services; mutual restrictions on contact between the parties; changes in work or class locations; leaves of absence; and increased security and monitoring of certain areas of the campus.

Within the educational environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; and employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances and may occur regardless of the sex(es) of the individuals involved. Depending upon such circumstances, examples of sexual harassment include, but are not limited to:

- Making sexual propositions or pressuring for sexual activities;
- Unwelcome touching;
- Writing graffiti of a sexual nature;
- Displaying or distributing sexually explicit drawings, pictures, or written materials;
- Performing sexual gestures or touching oneself sexually in front of others;
- Telling sexual or crude jokes;
- Spreading rumors related to a person’s alleged sexual activities;
- Discussions of sexual experiences;
- Rating other students or employees as to sexual activity or performance;
- Circulating or showing e-mails or Web sites of a sexual nature;
- Intimidation by words, actions, insults, or name calling; and
- Teasing or name-calling related to sexual characteristics or the belief or perception that an individual is not conforming to expected gender roles or conduct or is homosexual, regardless of whether or not the individual self-identifies as homosexual or transgender.

Employees who believe they have been subjected to sexual harassment are encouraged to submit a report to their immediate supervisor, an administrator, or the Title IX coordinator. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the sexual harassment. If the District staff member who received a report of alleged sexual harassment is not the Title IX Coordinator, then the District staff person shall inform the Title IX Coordinator of the alleged sexual harassment. As soon as reasonably possible after receiving a report of alleged

sexual harassment from another District staff member or after receiving a report directly through any means, the Title IX Coordinator shall contact the complainant to:

- Discuss the availability of supportive measures;
- Consider the complainant's wishes with respect to supportive measures;
- Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint; and
- explain to the complainant the process for filing a formal complaint.

Supportive Measures

The District shall offer supportive measures to the complainant and make supportive measures available to the respondent that are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party before or after the filing of a formal complaint or where no formal complaint has been filed. The District shall provide the individualized supportive measures to the complainant unless declined in writing by the complainant and shall provide individualized supportive measures that are non-disciplinary and non-punitive to the respondent. A complainant who initially declined the District's offer of supportive measures may request supportive measures at a later time and the District shall provide individualized supportive measures based on the circumstances when the subsequent request is received.

Formal Complaint

A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email. Upon receipt of a formal complaint, a District shall simultaneously provide the following written notice to the parties who are known:

- Notice of the District's grievance process and a copy of the procedures governing the grievance process;
- Notice of the allegations of sexual harassment including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 -  The identities of the parties involved in the incident, if known;
 -  The conduct allegedly constituting sexual harassment; and
 -  The date and location of the alleged incident, if known;
- A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- That the parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
- That the parties may inspect and review evidence relevant to the complaint of sexual harassment; and
- That the District's personnel policies and code of conduct prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the previous notice, the District shall simultaneously provide notice of the additional allegations to the parties whose identities are known.

The District may consolidate formal complaints of allegations of sexual harassment where the allegations of sexual harassment arise out of the same facts or circumstances and the formal complaints are against more than one respondent; or by more than one complainant against one or more respondents; or by one party against the other party. When the District has consolidated formal complaints so that the grievance process involves more

than one complainant or more than one respondent, references to the singular “party”, “complainant”, or “respondent” include the plural, as applicable.

When investigating a formal complaint and throughout the grievance process, a District shall:

- Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties;
- Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege or access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party unless the District obtains the parent, legal guardian, or other responsible adult of that party’s voluntary, written consent or that party’s voluntary, written consent if the party is over the age of eighteen (18) to do so for the grievance process;
- Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding;
- Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation ; this includes evidence:
 - Whether obtained from a party or other source,;
 - The District does not intend to rely upon in reaching a determination regarding responsibility; and
 - That is either Inculpatory or exculpatory; and
- Create an investigative report that fairly summarizes relevant evidence.

No earlier than ten (10) days following the completion of the investigative report, the District shall send to each party and the party’s advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The parties shall have at least ten (10)³ days to submit a written response to the evidence. The investigator will consider the written responses prior to completion of the investigative report. All evidence subject to inspection and review shall be available for the parties’ inspection and review at any meeting to give each party equal opportunity to refer to such evidence during the meeting.

After the investigative report is sent to the parties, the decision-maker shall:

- Provide each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness;
- Provide each party with the answers;
- Allow for additional, limited follow-up questions from each party; and

- Provide an explanation to the party proposing the questions any decision to exclude a question as not relevant. Specifically, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Following the completion of the investigation period, the decision-maker, who cannot be the same person as the Title IX Coordinator or the investigator, shall issue a written determination regarding responsibility. The written determination shall include—

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including:
 - a. Any notifications to the parties;
 - b. Interviews with parties and witnesses;
 - c. site visits;
 - d. Methods used to gather other evidence,; and
 - e. Hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the District's personnel policies or code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including:
 - a. A determination regarding responsibility;
 - b. Any disciplinary sanctions imposed on the respondent; and
 - c. Whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and
6. The procedures and permissible bases for the complainant and respondent to appeal.

The written determination shall be provided to the parties simultaneously. The determination regarding responsibility shall become final on the earlier of:

- If an appeal is not filed, the day after the period for an appeal to be filed expires; or
- If an appeal is filed, the date the written determination of the result of the appeal is provided to the parties.

The District shall investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment as defined in this policy even if proved; did not occur in the District's education program or activity; or did not occur against a person in the United States, then the District shall dismiss the complaint as not meeting the definition of sexual harassment under this policy. A dismissal for these reasons does not preclude action under another provision of the District's personnel policies or code of conduct.

The District may dismiss the formal complaint or any allegations therein, if at any time during the grievance process:

- The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
- The respondent is no longer enrolled at the District; or

- Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon the dismissal of a formal complaint for any reason, the District shall promptly send written notice of the dismissal and reason(s) for the dismissal simultaneously to the parties.

The District may hire an individual or individuals to conduct the investigation or to act as the determination-maker when necessary.

Appeals

Either party may appeal a determination regarding responsibility or from a dismissal of a formal complaint or any allegations therein, on the following bases:

- a. The existence of a procedural irregularity that affected the outcome of the matter;
- b. Discovery of new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- c. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter; or
- d. An appeal of the disciplinary sanctions from the initial determination.⁴

For all appeals, the District shall:

1. Notify the other party in writing when an appeal is filed;
2. Simultaneously Provide all parties a written copy of the District's procedures governing the appeal process;
3. Implement appeal procedures equally for both parties;
4. Ensure that the decision-maker⁵ for the appeal is not the same person as the decision-maker that reached the original determination regarding responsibility or dismissal, the investigator, or the Title IX Coordinator;
5. Provide all parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
6. Issue a written decision describing the result of the appeal and the rationale for the result; and
7. Provide the written decision simultaneously to both parties.

Confidentiality

Reports of sexual harassment, both informal reports and formal complaints, will be treated in a confidential manner to the extent possible. Limited disclosure may be provided to:

- individuals who are responsible for handling the District's investigation and determination of responsibility to the extent necessary to complete the District's grievance process;
- Submit a report to the child maltreatment hotline;
- Submit a report to the Professional Licensure Standards Board for reports alleging sexual harassment by an employee towards a student; or
- The extent necessary to provide either party due process during the grievance process.⁵

Except as listed above, the District shall keep confidential the identity of:

-  Any individual who has made a report or complaint of sex discrimination;
-  Any individual who has made a report or filed a formal complaint of sexual harassment;

-  Any complainant;
-  Any individual who has been reported to be the perpetrator of sex discrimination;
-  Any respondent; and
-  Any witness.

Any supportive measures provided to the complainant or respondent shall be kept confidential to the extent that maintaining such confidentiality does not impair the ability of the District to provide the supportive measures.

Administrative Leave⁶

The District may place a non-student employee respondent on administrative leave during the pendency of the District's grievance process.

Retaliation Prohibited

Employees who submit a report or file a formal complaint of sexual harassment; testified; assisted; or participate or refused to participate in any manner in an investigation, proceeding, or hearing on sexual harassment shall not be subjected to retaliation or reprisal in any form, including threats; intimidation; coercion; discrimination; or charges for personnel policy violations that do not involve sex discrimination or sexual harassment, arise out of the same facts or circumstances as a report or formal complaint of sex discrimination, and are made for the purpose of interfering with any right or privilege under this policy. The District shall take steps to prevent retaliation and shall take immediate action if any form of retaliation occurs regardless of whether the retaliatory acts are by District officials, students, or third parties.

Disciplinary Sanctions

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment. Following the completion of the District's grievance process, any employee who is found by the evidence to more likely than not⁷ have engaged in sexual harassment will be subject to disciplinary action up to, and including, termination. No disciplinary sanction or other action that is not a supportive measure may be taken against a respondent until the conclusion of the grievance process.

Employees who knowingly fabricate allegations of sexual harassment or purposely provide inaccurate facts shall be subject to disciplinary action up to and including termination. A determination that the allegations do not rise to the level of sexual harassment alone is not sufficient to conclude that any party made a false allegation or materially false statement in bad faith.

Records

The District shall maintain the following records for a minimum of seven (7) years:

- Each sexual harassment investigation including:
- Any determination regarding responsibility;
- any disciplinary sanctions imposed on the respondent;
- Any remedies provided to the complainant designed to restore or preserve equal access to the District's education program or activity;
- Any appeal and the result therefrom;
- All materials used to train Title IX Coordinators, investigators, and decision-makers;
- Any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment, which must include:
 - The basis for the District's conclusion that its response was not deliberately indifferent; and

- Document:
 - If supportive measures were provided to the complainant, the supportive measures taken designed to restore or preserve equal access to the District's education program or activity; or
 - If no supportive measures were provided to a complainant, document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

Notes: ¹ 34 C.F.R. § 106.44 **requires** that a district have procedures governing the grievance process and the appeals process to accompany this policy. The procedures are required to cover all of the following:

- Direct that complainants and respondents shall be treated equitably by:
 - Offering supportive measures to the complainant;
 - Completing the District's grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.
 - Providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent that are designed to restore or preserve equal access to the District's education program or activity, which may include the same individualized supportive measures;
 - Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence;
 - Provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
 - Require that any individual designated by the District as a Title IX Coordinator, investigator, or decision-maker not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent;
- Indicate that individuals selected by the District as Title IX Coordinators, investigators, and decision-makers have received training on:
 - The definition of sexual harassment;
 - The scope of the District's education program or activity;
 - How to conduct an investigation and the grievance process, including appeals;
 - How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias; and
 - Issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant; and
 - Issues of relevance to create an investigative report that fairly summarizes relevant evidence;
- Provide the District webpage where the materials used to train the District's Title IX Coordinators, investigators, and decision-makers is located;
- Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process;
- Include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals;³
- A process that allows for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action, which may include:
 - The absence of a party, a party's advisor, or a witness;
 - Concurrent law enforcement activity; or

- The need for language assistance or accommodation of disabilities;
- Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the District may implement following any determination of responsibility;
- State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard;⁷
- Include the procedures and permissible bases for the complainant and respondent to appeal;
- Describe the range of supportive measures available to complainants and respondents; and
- Indicate that the District shall not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege or use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party unless the District obtains the parent, legal guardian, or other responsible adult of that party's voluntary, written consent or that party's voluntary, written consent if the party is over the age of eighteen (18) to do so for the grievance process.

² While we have left the language from the definition for sexual harassment from 34 C.F.R. § 106.30 requiring that the sexual conduct with an employee must be "unwelcome" in this policy, we have removed the word "unwelcome" from the student policy as A.C.A. § 12-18-103 prohibits sexual conduct between district employees and students regardless of whether the student considers the sexual conduct to be welcome or unwelcome.

³ The minimum number of days you are required to provide for the parties to review the evidence is ten (10) days. Make sure that the number of days you include here matches with the time frame included in your procedures governing the grievance process.

⁴ As A.C.A. § 6-18-502(c)(1)(B) provides that the superintendent has the authority to "modify the prescribed penalties for a student on a case-by-case basis", we have left this appeal option in this policy in recognition that an employee may be sexually harassed by a student. 34 C.F.R. § 106.45 requires that either party must have an equal opportunity to appeal for the stated reasons; therefore both the complainant and respondent have the right to appeal the initial determination-maker's disciplinary sanctions.

⁵ While the Family Educational Rights and Privacy Act (FERPA) ordinarily requires that documents containing information about more than one student be redacted so that a student may only view the portion of the educational record that is relevant to that particular student, 34 C.F.R. § 106.6 provides that FERPA does not apply to the extent necessary to provide due process to both parties involved in the grievance process; this includes allowing either party to review the names of the other party as well as any witnesses who have provided evidence relevant to the investigation.

⁶ The language here does not change an individual's rights under the IDEA, Section 504, or the ADA.

⁷ We have opted to use the preponderance of the evidence standard for determination of responsibility. If you choose to use the clear and convincing evidentiary standard instead, change the language here to

indicate so and make sure that your procedures indicate so as well. 34 C.F.R. § 106.45 requires that you use the same evidentiary standard for both students and employees.

Employees are advised that they enjoy **no expectation of privacy** in any aspect of their computer use, including email, and that under Arkansas law both email and computer use records maintained by the district are subject to disclosure under the Freedom of Information Act. Consequently, no employee or student-related reprimands or other disciplinary communications should be made through email.

Employees must not disable or bypass security procedures, compromise, attempt to compromise, or defeat the district's technology network security, alter data without authorization, disclose passwords to other staff members or students, or grant students access to any computer not designated for student use. - t. taking part in any activity related to Internet use that creates a clear and present danger of the substantial disruption of the orderly operation of the district or any of its schools;
- u. Making unauthorized copies of computer software;
- v. personal use of computers during instructional time; or

8.23—CLASSIFIED PERSONNEL FAMILY MEDICAL LEAVE*

The Family and Medical Leave Act (FMLA) offers job protection for leave that might otherwise be considered excessive absences. Employees need to carefully comply with this policy to ensure they do not lose FMLA protection due to inaction or failure to provide the District with needed information. The FMLA provides up to twelve (12) work weeks (or, in some cases, twenty-six (26) weeks) of job-protected leave to eligible employees with absences that qualify under the FMLA. While an employee can request FMLA leave and has a duty to inform the District, as provided in this policy, of foreseeable absences that may qualify for FMLA leave, it is the District's ultimate responsibility to identify qualifying absences as FMLA or non-FMLA. FMLA leave is unpaid, except to the extent that paid leave applies to any given absence as governed by the FMLA and this policy.

SECTION ONE– FMLA LEAVE GENERALLY

Definitions

“Eligible Employee” is an employee who has:

1. Been employed by the District for at least twelve (12) months, which are not required to be consecutive; and
2. Performed at least 1250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.¹

“FMLA” is the Family and Medical Leave Act

“Health Care Provider” means:

- a. A doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices;
- b. Podiatrists, dentists, clinical psychologists, optometrists, and chiropractors (limited to treatment consisting of manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice in the State and performing within the scope of their practice as defined under State law;
- c. Nurse practitioners, nurse-midwives, clinical social workers and physician assistants who are authorized to practice under State law and who are performing within the scope of their practice as defined under State law;
- d. Christian Science Practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts. Where an employee or family member is receiving treatment from a Christian Science practitioner, an employee may not object to any requirement from an employer that the employee or family member submit to examination (though not treatment) to obtain a second or third certification from a health care provider other than a Christian Science practitioner except as otherwise provided under applicable State or local law or collective bargaining agreement; or
- e. Any other person determined by the U.S. Secretary of Labor to be capable of providing health care services.

“Instructional Employee” is an employee whose principal function is to teach and instruct students in a class, a small group, or an individual setting and includes athletic coaches, driving instructors, preschool teachers, and special education assistants such as signers for the hearing impaired. The term does not include, and the special rules related to the taking of leave near the end of a semester do not apply to: teacher assistants or aides who do

not have as their principal job actual teaching or instructing, administrators, counselors, librarians, psychologists, and curriculum specialists.

“Intermittent leave” is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced leave schedule is a leave schedule that reduces an employee’s usual number of working hours per workweek, or hours per workday. A reduced leave schedule is a change in the employee’s schedule for a period of time, normally from full-time to part-time.

“Next of Kin”, used in respect to an individual, means the nearest blood relative of that individual.

“Parent” is the biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or a daughter. This term does not include parents “in-law.”

“Serious Health Condition” is an injury, illness, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider.

“Son or daughter”, for numbers 1, 2, or 3 below, is a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen (18), or age eighteen (18) or older and “incapable of self-care because of a mental or physical disability” at the time that FMLA leave is to commence.²

“Year” the twelve (12) month period of eligibility shall begin on July first of each school-year.³

Policy

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family and Medical Leave Act of 1993, as amended, shall govern.

Leave Eligibility

The District will grant up to twelve (12) weeks of leave in a year in accordance with the FMLA, as amended, to its eligible employees for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the spouse, son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition;
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee; and
5. Because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces. (See Section Two)
6. To care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury. (See Section Two)

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

A legally married couple who are both eligible employees employed by the District may not take more than a combined total of twelve (12) weeks of FMLA leave for reasons 1, 2, or to care for a parent under number 3.

Provisions Applicable to both Sections One and Two

District Notice to Employees

The District shall post, in conspicuous places in each school within the District where notices to employees and applicants for employment are customarily posted, a notice explaining the FMLA's provisions and providing information about the procedure for filing complaints with the Department of Labor.⁴

Designation Notice to Employee

When an employee requests FMLA leave or the District determines that an employee's absence may be covered under the FMLA, the District shall provide written notice within five (5) business days (absent extenuating circumstances) to the employee of the District's determination of his/her eligibility for FMLA leave.⁵ If the employee is eligible, the District may request additional information from the employee and/or certification from a health care provider to help make the applicability⁶ determination. After receiving sufficient information as requested, the District shall provide a written notice within five (5) business days (absent extenuating circumstances) to the employee of whether the leave qualifies as FMLA leave and will be so designated.⁷

If the circumstances for the leave don't change, the District is only required to notify the employee once of the determination regarding the designation of FMLA leave within any applicable twelve (12) month period.

Employees who receive notification that the leave request does not qualify under the FMLA are expected to return to work; further absences that are not otherwise excused could lead to discipline for excessive absences, or termination for job abandonment.

Concurrent Leave Under the FMLA

All FMLA leave is unpaid unless substituted by applicable accrued leave. The District requires employees to substitute any applicable accrued leave (in the order of sick, personal, or vacation leave as may be applicable) for any period of FMLA leave.⁶

An employee who does not have enough accrued leave to cover the number of days of FMLA leave taken shall not have his/her number of contract days altered because some of the FMLA leave taken was unpaid.

Working at another Job while Taking FMLA for Personal or Family Serious Medical Condition

No employee on FMLA leave for their own serious medical condition may perform work at another, non-district job while on FMLA leave. Except as provided in policy 8.36, employees who do perform work at another, non-district job while on FMLA leave for their own serious medical condition will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

No employee on FMLA leave for the serious medical condition of a family member may perform work at another, non-district job while on FMLA leave. Employees who do perform work at another, non-district job while on FMLA leave for the serious medical condition of a family member will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

Health Insurance Coverage

The District shall maintain coverage under any group health plan for the duration of FMLA leave the employee takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the District. Additionally, if the District makes a change to its health insurance benefits or plans that apply to other employees, the employee on FMLA leave must be afforded the opportunity to access additional benefits and/or the same responsibility for changes to premiums. Any changes made to a group health plan that apply to other District employees, must also apply to the employee on FMLA leave. The District will notify the employee on FMLA leave of any opportunities to change plans or benefits. The employee remains responsible for any portion of premium payments customarily paid by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit his/her portion of the cost of the group health plan coverage to the district's business office on or before it would be made by payroll deduction.⁸

The District has the right to pay an employee's unpaid insurance premiums during the employee's unpaid FMLA leave to maintain the employee's coverage during his/her leave. The District may recover the employee's share of any premium payments missed by the employee for any FMLA leave period that the District maintains health coverage for the employee by paying his/her share. Such recovery shall be made by offsetting the employee's debt through payroll deductions or by other means against any monies owed the employee by the District.

An employee who chooses to not continue group health plan coverage while on FMLA leave is entitled to be reinstated on the same terms as prior to taking the leave, including family or dependent coverages, without any qualifying period, physical examination, exclusion of pre-existing conditions, etc.⁹

If an employee gives unequivocal notice of an intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave, the District's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave the employee was entitled has expired, the District may recover the premiums it paid to maintain health care coverage unless:

1. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; and/or
2. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

Reporting Requirements During Leave

Unless circumstances exist beyond the employee's control, the employee shall inform the district every two (2) weeks¹⁰ during FMLA leave of his/her current status and intent to return to work.

Return to Previous Position

An employee returning from FMLA leave is entitled to be returned to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, and authority.

The employee's right to return to work and/or to the same or an equivalent position does not supersede any actions taken by the District, such as conducting a RIF, that the employee would have been subject to had the employee not been on FMLA leave at the time of the District's actions.

Leave Acquired Through Fraud

If it is discovered that an employee engaged in fraud or otherwise provided the District with documentation that includes a material misrepresentation of fact in order to receive FMLA leave, the District may discipline the employee up to and including termination.

Provisions Applicable to Section One

Employee Notice to District

Foreseeable Leave

When the need for leave is foreseeable for reasons 1 through 4 listed above, the employee shall provide the District with at least thirty (30) days' notice, before the date the leave is to begin, of the employee's intention to take leave for the specified reason. An eligible employee who has no reasonable excuse for his/her failure to provide the District with timely advance notice of the need for FMLA leave may have his/her FMLA coverage of such leave delayed until thirty (30) days after the date the employee provides notice.

If there is a lack of knowledge of approximately when the leave will be required to begin, a change in circumstances, or an emergency, notice must be given as soon as practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

When the need for leave is for reasons 3 or 4 listed above, the eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the District subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

If the need for FMLA leave is foreseeable less than thirty (30) days in advance, the employee shall notify the District as soon as practicable. If the employee fails to notify as soon as practicable, the District may delay granting FMLA leave for the number of days equal to the difference between the number of days in advance that the employee should have provided notice and when the employee actually gave notice.

Unforeseeable Leave

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case.

Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, fax, email, or other electronic means. If the eligible employee fails to notify the District as required, unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

Medical Certification

Second and Third Opinions: In any case where the District has reason to doubt the validity of the initial certification provided, the District may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the employer. If the second opinion differs from the first, the

District may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the District and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the District and the employee.

Recertification: The District may request, either orally or in writing, the employee obtain a recertification in connection with the employee's absence, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply:

- The original certification is for a period greater than thirty (30) days. In this situation, the District may require a recertification after the time of the original certification expires, but in any case, the District may require a recertification every six (6) months.
- The employee requests an extension of leave;
- Circumstances described by the previous certification have changed significantly; and/or
- The district receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification within fifteen (15) calendar days after the District's request.

No second or third opinion on a recertification may be required.

The District may deny FMLA leave if an eligible employee fails to provide a requested certification.

Substitution of Paid Leave

When an employee's leave has been designated as FMLA leave for reasons 1 (as applicable), 2, 3, or 4 above, the District requires employees to substitute accrued sick, vacation, or personal leave for the period of FMLA leave.¹¹

To the extent the employee has accrued paid vacation or personal leave, any leave taken that qualifies for FMLA leave for reasons 1 or 2 above shall be paid leave and charged against the employee's accrued leave.

Workers' Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition. To the extent that workers' compensation benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted daily rate of pay. If the health care provider treating the employee for the workers' compensation injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose his/her workers' compensation payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Return to Work¹²

If the District's written designation determination that the eligible employee's leave qualified as FMLA leave under reason 4 above stated that the employee would have to provide a "fitness-for-duty" certification from a health care provider for the employee to resume work, the employee must provide such certification prior to returning to work. The employee's failure to do so voids the District's obligation to reinstate the employee under the FMLA and the employee shall be terminated.

If the District's written designation determination that the eligible employee's leave qualified as FMLA leave under reason 4 above stated that the employee would have to provide a "fitness-for-duty" certification from a health care provider for the employee to resume work **and** the designation determination listed the employee's essential job functions, the employee must provide certification that the employee is able to perform those functions prior to returning to work. The employee's failure to do so or his/her inability to perform his/her job's essential functions voids the District's obligation to reinstate the employee under the FMLA and the employee shall be terminated.

Failure to Return to Work

In the event that an employee is unable or fails to return to work within FMLA's leave timelines, the superintendent will make a determination at that time regarding the documented need for a severance of the employee's contract due to the inability of the employee to fulfill the responsibilities and requirements of his/her contract.

Intermittent or Reduced Schedule Leave

To the extent practicable, employees requesting intermittent or reduced schedule leave shall provide the District with not less than thirty (30) days' notice, before the date the leave is to begin, of the employee's intention to take leave.

Eligible employees may only take intermittent or reduced schedule leave for reasons 1 and 2 listed above if the District agrees to permit such leave upon the request of the employee. If the District agrees to permit an employee to take intermittent or reduced schedule leave for such reasons, the agreement shall be consistent with this policy's requirements governing intermittent or reduced schedule leave. The employee may be transferred temporarily during the period of scheduled intermittent or reduced leave to an alternative position that the employee is qualified for and that better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties.

Eligible employees may take intermittent or reduced schedule FMLA leave due to reasons 3 or 4 listed above when the medical need is best accommodated by such a schedule. The eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider.

When granting leave on an intermittent or reduced schedule for reasons 3 or 4 above that is foreseeable based on planned medical treatment, the District may temporarily transfer eligible employees for the period of scheduled intermittent or reduced leave to an alternative position that the employee is qualified for and that better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began. The employee will not be required to take more FMLA leave than necessary to address the circumstances requiring the need for the leave.

Special Provisions relating to Instructional Employees as Defined in This Policy

The FMLA definition of "instructional employees" covers a small number of classified employees. Any classified employee covered under the FMLA definition of an "instructional employee" and whose FMLA

leave falls under the FMLA's special leave provisions relating to "instructional employees" shall be governed by the applicable portions of policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE.

SECTION TWO- FMLA LEAVE CONNECTED TO MILITARY SERVICE

Leave Eligibility

The FMLA provision of military associated leave is in two categories. Each one has some of its own definitions and stipulations. Therefore, they are dealt with separately in this Section of the policy. Definitions different than those in Section One are included under the respective reason for leave. Definitions that are the same as in Section One are NOT repeated in this Section.

Qualifying Exigency

An eligible employee may take FMLA leave for any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces. Examples include issues involved with short-notice deployment, military events and related activities, childcare and school activities, the need for financial and legal arrangements, counseling, rest and recuperation, post-deployment activities, and other activities as defined by federal regulations.¹³

Definitions

“Covered active duty” means:

- in the case of a member of a **regular** component of the Armed Forces, duty during deployment of the member with the armed forces to a foreign country; and
- in the case of a member of a **reserve** component of the Armed Forces, duty during deployment of the member with the armed forces to a foreign country under a call to active duty under a provision of law referred to in section 101(a)(13)(B) of title 10, United States Code.

“Son or daughter on active duty or call to active duty status” means the employee's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the employee stood in loco parentis, who is on active duty or call to active duty status, and who is of any age.

Certification¹⁴

The District may require the eligible employee to obtain certification to help the district determine if the requested leave qualifies for FMLA leave for the purposes of a qualifying exigency. The District may deny FMLA leave if an eligible employee fails to provide the requested certification.

Employee Notice to District

Foreseeable Leave

When the necessity for leave for any qualifying exigency is foreseeable, whether because the spouse, son, daughter, or parent of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the District as is reasonable and practicable regardless of how far in advance the leave is foreseeable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

Unforeseeable Leave

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, fax, email, or other electronic means. If the eligible employee fails to notify the District as required unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

Substitution of Paid Leave

When an employee's leave has been designated as FMLA leave for any qualifying exigency, the District requires employees to substitute accrued vacation, or personal leave for the period of FMLA leave.

Intermittent or Reduced Schedule Leave

Eligible employees may take intermittent or reduced schedule leave for any qualifying exigency. The employee shall provide the district with as much notice as is practicable.

Special Provisions relating to Instructional Employees as Defined in This Policy

The FMLA definition of "instructional employees" covers a small number of classified employees. Any classified employee covered under the FMLA definition of an "instructional employee" and who's FMLA leave falls under the FMLA's special leave provisions relating to "instructional employees" shall be governed by the applicable portions of policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE.

Serious Illness

An eligible employee is eligible for leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury under the following conditions and definitions.

Definitions

“Covered Service Member” is:

1. A member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
2. A veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

“Outpatient Status”, used in respect to a covered service member, means the status of a member of the Armed Forces assigned to:

- a. A military medical treatment facility as an outpatient; or
- b. A unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.

“Parent of a covered service member” is a covered service member's biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered service member. This term does not include parents “in law.”

“Serious Injury or Illness”:

- A. In the case of a member of the Armed Forces, including the National Guard or Reserves, it means an injury or illness incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member’s office, grade, rank, or rating; and
- B. In the case of a veteran who was a member of the Armed Forces, including a member of the National Guard or Reserves, at any time during a period as a covered service member defined in this policy, it means a qualifying (as defined by the U.S. Secretary of Labor) injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

“Son or daughter of a covered service member” means a covered service member's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered service member stood in loco parentis, and who is of any age.²

“Year”, for leave to care for the serious injury or illness of a covered service member, the twelve (12) month period begins on the first day the eligible employee takes FMLA leave to care for a covered service member and ends twelve (12) months after that date.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member shall be entitled to a total of twenty-six (26) weeks of leave during one twelve (12) month period to care for the service member who has a serious injury or illness as defined in this policy. An eligible employee who cares for such a covered service member continues to be limited for reasons 1 through 4 in Section One and for any qualifying exigency to a total of twelve (12) weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for sixteen (16) weeks during a twelve (12) month period could only take a total of ten (10) weeks for reasons 1 through 4 in Section One and for any qualifying exigency. An eligible employee may not take more than twelve (12) weeks of FMLA leave for reasons 1 through 4 in Section One and for any qualifying exigency regardless of how little leave the eligible employee may take to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury.

If a legally married couple are both eligible employees employed by the District, the legally married couple are entitled to a combined total of twenty-six (26) weeks of leave during one twelve (12) month period to care for their spouse, son, daughter, parent, or next of kin who is a covered service member with a serious injury or illness, as defined in this policy. The leave taken by a legally married couple who care for such a covered service member continues to be limited to a total of twelve (12) weeks of FMLA leave for reasons 1 through 4 in Section One and for any qualifying exigency during a year, as defined in this policy, regardless of whether or not the legally married couple uses less than a combined total of fourteen (14) weeks to care for a covered service member with a serious injury or illness; moreover, the legally married couple’s twelve (12) weeks are combined when taken for reasons 1, 2, or to care for a parent under reason 3 in Section One. For example, a legally married couple who are both eligible employees and who care for such a covered service member for sixteen (16) weeks during a twelve (12) month period could:

1. Each take up to ten (10) weeks for reason 4 in section 1 or a qualifying exigency;

2. Take a combined total of ten (10) weeks for reasons 1, 2, or to care for a parent under reason 3 in Section One; or
3. Take a combination of numbers 1 and 2 that totals ten (10) weeks of leave.

Medical Certification¹⁵

The District may require the eligible employee to obtain certification of the covered service member's serious health condition to help the District determine if the requested leave qualifies for FMLA leave. The District may deny FMLA leave if an eligible employee fails to provide the requested certification.

Employee Notice to District

Foreseeable Leave

When the need for leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury is clearly foreseeable at least thirty (30) days in advance, the employee shall provide the District with no less than thirty (30) days' notice before the date the employee intends for the leave to begin for the specified reason. An eligible employee who has no reasonable excuse for his/her failure to provide the District with timely advance notice of the need for FMLA leave may have his/her FMLA coverage of such leave delayed until thirty (30) days after the date the employee provides notice.

If the need for FMLA leave is foreseeable less than thirty (30) days in advance, the employee shall notify the District as soon as practicable. If the employee fails to notify as soon as practicable, the District may delay granting FMLA leave for an amount of time equal to the difference between the length of time that the employee should have provided notice and when the employee actually gave notice.

When the need for leave is to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the district subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

Unforeseeable Leave

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, fax, email, or other electronic means. If the eligible employee fails to notify the District as required, unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

Substitution of Paid Leave

When an employee's leave has been designated as FMLA leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury, the District requires employees to substitute accrued sick, vacation, or personal leave for the period of FMLA leave.

Intermittent or Reduced Schedule Leave

To the extent practicable, employees requesting intermittent or reduced schedule leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury shall provide the

District with at least thirty (30) days' notice, before the date the leave is to begin, of the employee's intention to take leave.

Eligible employees may take intermittent or reduced schedule FMLA leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury when the medical need is best accommodated by such a schedule. The eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider.

When granting leave on an intermittent or reduced schedule to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury that is foreseeable based on planned medical treatment, the District may temporarily transfer eligible employees for the period of scheduled intermittent or reduced leave to an alternative position that the employee is qualified for and that better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began.

Special Provisions relating to Instructional Employees (as defined in this policy)

The FMLA definition of "instructional employees" covers a small number of classified employees. Any classified employee covered under the FMLA definition of an "instructional employee" and whose FMLA leave falls under the FMLA's special leave provisions relating to "instructional employees" shall be governed by the applicable portions of policy 3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE.

Notes: This policy is similar to Policy 3.32. If you change this policy, review 3.32 at the same time to ensure applicable consistency between the two.

All school districts are covered under the Family Medical Leave Act and are required to keep certain payroll and employee identification records and post pertinent notices regarding FMLA for its employees; however, employees are only eligible for FMLA benefits if the district has fifty (50) or more employees within a seventy-five (75) mile radius of the district's offices. Your district may choose to offer FMLA benefits to your employees even though they are not technically eligible. If your district has less than fifty (50) employees and chooses not to offer FMLA benefits, replace the above policy with the following language to inform your employees of why FMLA benefits do not apply to them and to help avoid possible confusion resulting from the posting of FMLA notices:

Employees are eligible for benefits under the Family Medical Leave Act when the district has fifty (50) or more employees. The Hackett School District has less than fifty (50) employees and therefore employees are not eligible for FMLA benefits.

Determining whether an absence qualifies as FMLA leave is a **DISTRICT** responsibility and not the employee's. While much of the statutes' language refers to an employee's request for FMLA leave, the employee has **NO** mandatory responsibility for initiating the exchange of information that might relate his/her absence to that of the FMLA. The District has the right and the duty to ask for enough information concerning an employee's absence to make a determination. The employee has the responsibility and duty to respond to questions asked in an effort for the District to make the initial determination. Any issue of medical certification to be provided by the employee is secondary to that of

informal questioning to determine whether the absence does in fact, fall under the FMLA umbrella. The District must fulfill its responsibility for the posting of employee FMLA notice requirements to make those requirements enforceable. This is done through posting the notices available at the link in footnote #4 AND by the employee's receipt of this policy in the employee handbook.

¹ It is possible for a full time employee to be eligible for FMLA leave one year and not the next. For example, if an employee on a 190 day contract takes the full twelve (12) weeks of FMLA leave in year one, that would mean the employee only worked 130 days. Assuming the employee is credited for eight (8) hours per workday, the employee would have only worked 1040 hours during that time (130 x 8=1040), which would make the employee ineligible for FMLA leave for the year following the year that the employee took the leave.

² The Wage and Hour Division of the Department of Labor has issued a Guidance to help interpret the scope of the definition of "son or daughter" as it applies to an employee standing "in loco parentis" to a child. The following quote from the Guidance is offered to give an idea of the complexity of the definition. (The Guidance, in full, is available by calling the ASBA office or at the link in footnote #4.)

Congress intended the definition of "son or daughter" to reflect "the reality that many children in the United States today do not live in traditional 'nuclear' families with their biological father and mother. Increasingly, those who find themselves in need of workplace accommodation of their child care responsibilities are not the biological parent of the children they care for, but their adoptive, step, or foster parents, their guardians, or sometimes simply their grandparents or other relatives or adults." Congress stated that the definition was intended to be "construed to ensure that an employee who actually has day-to-day responsibility for caring for a child is entitled to leave even if the employee does not have a biological or legal relationship to that child."

³ Districts can choose one of four (4) possible "twelve (12) month periods." Each one has possible advantages and disadvantages. Choose the one that will work best for your district. The four (4) options are:

- 1) the calendar year;
- 2) Any fixed twelve (12) month leave year such as a fiscal year or a year starting on an employee's "anniversary" date;
- 3) The twelve (12) month period measured forward from the date any employee's first FMLA leave for reasons 1 through 5 begins;
- 4) A rolling twelve (12) month period measured backward from the date an employee uses any FMLA leave for reasons 1 through 5.

⁴ A Department of Labor poster along with several additional forms that are necessary to fulfill FMLA's requirements are available at <http://www.dol.gov/whd/fmla/index.htm>. Please note that the DOL forms lack the required disclaimer required by the Genetic Information Nondiscrimination Act (GINA). We suggest that you include the following language taken from the final rule implementing the GINA:

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when

responding to this request for medical information. “Genetic information,” as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

⁵ We suggest you use the Department of Labor’s *Notice of Eligibility and Rights and Responsibilities* form (otherwise known as WH-381) to help you fulfill the requirements of this section. It’s available at the link in footnote #⁴ or by calling the ASBA office. When making the determination, we suggest initially erring on the side of granting it. Retroactively designating leave as FMLA has more potential liability for the district if the employee can demonstrate the initial failure to grant the leave under FMLA caused him/her harm or injury. If due to receipt of the medical certification, it turns out that the leave does not qualify, you will need to readjust the available FMLA leave accordingly.

⁶ As used in this policy, “applicable” is a very important word. Some leave taken under FMLA also applies to sick leave and therefore, the employee will get paid for the leave to the extent the employee has sick leave accrued. Other leave taken under FMLA is not applicable to sick leave and therefore the FMLA leave is unpaid. For instance, “applicable leave” in terms of time taken under FMLA due to the birth of a child will vary depending on the language in your District’s policy on sick leave. For instance, if sick leave may be taken “for reason of personal illness or illness in the immediate family” (based on the statutory definition in A.C.A. § 6-17-1202, and an employee gives birth to a child, she may take sick leave for the amount of time that her personal physician deems it necessary for her to physically recover from childbirth. Once the medically necessary time has passed, sick leave is no longer appropriate and cannot be used. While under the FMLA, the employee could take additional time off work, she would need to take unpaid FMLA leave for this purpose, unless she had personal days or vacation days available. However, if your district has a much more liberal definition of sick leave in District policy, the results could be entirely different. Another example would be the potential for overlap between pregnancy complications that arise to the level of a “serious health condition.” For instance, pregnancy complications that rose to the level of a “serious health condition” would qualify for both, while missing work for a dentist’s appointment would qualify for sick leave, but would not qualify for FMLA leave. Consult policy 8.5—CLASSIFIED EMPLOYEES SICK LEAVE when making the determination of what sick leave qualifies under both policies.

⁷ There are several issues that must be addressed in the written notice. The *Designation Notice* (WH-382) available from the Wage and Hour Division of the US Department of Labor is a good way to both give your employee written notice and help ensure you have included the necessary information in the notice. The *Designation Notice* is available at the link contained in footnote #⁴ or by calling the ASBA office.

⁸ The District cannot cancel an employee’s insurance for the employee’s failure to pay his/her share of the premium until the payment is thirty (30) or more days late. The District must give prior, written notice to the employee at least fifteen (15) days prior to the cancelation of the policy stating that the policy will be terminated on a given date if payment is not received by that date, which must be at least fifteen (15) days from the date of the letter.

⁹ Due to the district's liability for meeting the requirement of this paragraph and similar obligations for life insurance premiums or other benefits, the District needs to consider picking up the costs of such premiums during an employee's **unpaid** FMLA leave **if** the employee fails to pay his/her share of the costs. If the District elects to maintain such benefits during the leave, at the conclusion of leave the District is entitled to recover only the costs incurred for paying the employee's share of any premiums whether or not the employee returns to work. To help you decide if you should choose to pay premium costs in such a situation, the following excerpt from 29 CFR 825.212(c):

If coverage lapses because an employee has not made required premium payments, upon the employee's return from FMLA leave the employer must still restore the employee to coverage/benefits equivalent to those the employee would have had if leave had not been taken and the premium payment(s) had not been missed, including family or dependent coverage. See § 825.215(d)(1) through (5). In such case, an employee may not be required to meet any qualification requirements imposed by the plan, including any new preexisting condition waiting period, to wait for an open season, or to pass a medical examination to obtain reinstatement of coverage. If an employer terminates an employee's insurance in accordance with this section and fails to restore the employee's health insurance as required by this section upon the employee's return, the employer may be liable for benefits lost by reason of the violation, for other actual monetary losses sustained as a direct result of the violation, and for appropriate equitable relief tailored to the harm suffered.

¹⁰ You may choose the time interval of the required duty to report, but it must be reasonable.

¹¹ ASBA model policy 8.5—CLASSIFIED EMPLOYEES SICK LEAVE includes language entitling employees with up to fifteen (15) days of sick leave in a school-year for issue relating to the adoption of a child. If you have not adopted this provision, delete #2 from this sentence. Include reason #1 if you have a liberal sick leave policy that would permit leave to be taken for bonding with a new born son or daughter.

¹² The Department of Labor's *Designation Notice* has entries that address this section's requirements. It's very helpful. For this section, you will need both the *Designation Notice* (WH-382) and the appropriate *Medical Certification form* (WH-380-E or WH-380-F); the *Designation Notice* to fulfill your notice requirements and the medical certification form to enable you to determine if the employee's leave is actually covered under the FMLA. They are available at the link in footnote #4 or by calling the ASBA office.

¹³ The types and amounts of leave available for a particular type of qualifying exigency are covered in 29 C.F.R. § 825.126. Call the ASBA office for a copy.

¹⁴ You can use WH-384, *Certification of Qualifying Exigency for Military Family Leave* to obtain the certification. It's available at the link in footnote #4 or by calling the ASBA office.

¹⁵ You can use WH-385, *Covered Service Member Serious Injury* form to obtain the certification. It's available at the link in footnote #4 or by calling the ASBA office.

8.24—SCHOOL BUS DRIVER’S USE OF MOBILE COMMUNICATION DEVICES

“School Bus” is a motorized vehicle that meets the following requirements:

1. Is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District; and
2. Is operated for the transportation of students from home to school, from school to home, or to and from school events.¹

Any driver of a school bus shall not operate the school bus while using a device to browse the internet, make or receive phone calls or compose or read emails or text messages.² If the school bus is safely off the road with the parking brake engaged, exceptions are allowed to call for assistance due to a mechanical problem with the bus, or to communicate with any of the following during an emergency:

- An emergency system response operator or 911 public safety communications dispatcher;
- A hospital or emergency room;
- A physician's office or health clinic;
- An ambulance or fire department rescue service;
- A fire department, fire protection district, or volunteer fire department; or
- A police department.

In addition to statutorily permitted fines, violations of this policy shall be grounds for disciplinary action up to and including termination.

Notes: ¹ Students are not required to be transported on a school bus as long as the transporting vehicle is not scheduled for a regularly occurring route or takes a route that contains frequent stops to pick up or drop off students.

² A.C.A. § 6-19-120 only prohibits "cell phone" use; A.C.A. § 27-51-1504 prohibits the use of a “handheld wireless telephone” for browsing the internet, sending or receiving emails, and sending or receiving text messages at any time; and A.C.A. § 27-51-1609 prohibits the use of a “handheld wireless communication device” for any purpose while in a school zone. The terminology in this sentence is designed to combine these statutes and to cover all the distractions that could affect a driver's ability to safely drive the bus.

8.25—CLASSIFIED PERSONNEL CELL PHONE USE

Use of cell phones or other electronic communication devices by employees during their designated work time for other than District approved purposes is strictly forbidden unless specifically approved in advance by the superintendent, building principal, or their designees.¹

District staff shall not be given cell phones or computers for any purpose other than their specific use associated with school business. School employees who use school issued cell phones and/or computers for non-school purposes, except as permitted by District policy, shall be subject to discipline, up to and including termination. School employees who are issued District cell phones due to the requirements of their position may use the phone for personal use on an “as needed” basis provided it is not during designated work time.²

Except when authorized in Policy 8.24—SCHOOL BUS DRIVER’S USE OF MOBILE COMMUNICATION DEVICES, all employees are forbidden from using school issued cell phones while driving any vehicle at any time. Violation may result in disciplinary action up to and including termination.³

Except when authorized in Policy 8.24—SCHOOL BUS DRIVER’S USE OF MOBILE COMMUNICATION DEVICES, no employee shall use any device for the purposes of browsing the internet; composing or reading emails and text messages; or making or answering phone calls while driving a motor vehicle which is in motion and on school property. Violation may result in disciplinary action up to and including termination.⁴

Notes: ¹The goal is to eliminate the use of cell phones during designated work time. You may change who has the authority to approve the use of cell phones if you wish to.

²The IRS has changed its position regarding the use of district issued cell phones for personal use for those employees who have a genuine **need** for a cell phone due to their job’s duties. Cell phones **cannot** be issued as a fringe benefit, but only as a “legitimate” need related to their job’s responsibilities. There is no longer a need to keep track of personal calls and claim their value as income. The district has the option of supplying the phone directly to the employee or of reimbursing the employee for the cost of his/her personal phone that is used for both District and personal purposes. Any such reimbursement can only be for the specific employee and not any other individuals associated with that employee’s cell phone plan. There has been no change to the use of school computers for personal purposes.

³ This sentence is included because insurance companies have ruled that injuries occurring while driving and talking on school issued cell phones are subject to workers comp awards.

⁴This sentence was added due to the dangers involved for both drivers and pedestrians associated with distracted driving. A.C.A. § 27-51-1609 prohibits the use of a “wireless handheld telephone” while in a school zone for any purpose when that use is not hands free. While the policy language exceeds the statutory language, we believe the expanded language is important for the protection of students and employees alike.

- Exhibition of other behaviors by students or educational staff that substantially interfere with the learning environment.

Teachers and other school employees who have witnessed, or are reliably informed that, a student has been a victim of bullying as defined in this policy, including a single action which if allowed to continue would constitute bullying, shall report the incident(s) to the building principal, or designee, as soon as possible.

The person or persons reporting behavior they consider to be bullying shall not be subject to retaliation or reprisal in any form.

District staff are required to help enforce implementation of the district's anti-bullying policy. Students who bully another person are to be held accountable for their actions whether they occur on school equipment or property; off school property at a school-sponsored or school-approved function, activity, or event; going to or from school or a school activity in a school vehicle or school bus; or at designated school bus stops. Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to

continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously.

A building principal, or designee, who receives a credible report or complaint of bullying shall:

1. As soon as reasonably practicable, but by no later than the end of the school day following the receipt of the credible report of bullying:
 - a. Report to a parent, legal guardian, person having lawful control of a student, or person standing in loco parentis of a student that their student is the victim in a credible report of bullying; and
 - b. Prepare a written report of the alleged incident of bullying;
2. Promptly investigate the credible report or complaint of bullying, which shall be completed by no later than the fifth (5th) school day following the completion of the written report.
3. Notify within five (5) days following the completion of the investigation the parent, legal guardian, person having lawful control of a student, or person standing in loco parentis of a student who was the alleged victim in a credible report of bullying whether the investigation found the credible report or complaint of bullying to be true and the availability of counseling and other intervention services.

District employees are held to a high standard of professionalism, especially when it comes to employee-student interactions. Actions by a District employee towards a student that would constitute bullying if the act had been performed by a student shall result in disciplinary action, up to and including termination. This policy governs bullying directed towards students and is not applicable to adult on adult interactions. Therefore, this policy does not apply to interactions between employees. Employees may report workplace conflicts to their supervisor.¹ In addition to any disciplinary actions, the District shall take appropriate steps to remedy the effects resulting from bullying.

Notes: This policy is similar to Policy 3.38. If you change this policy, review 3.38 at the same time to ensure applicable consistency between the two.

A school employee who has reported violations under the school district's policy shall be immune from any tort liability which may arise from the failure to remedy the reported incident.

DESE has created a guidance document on bullying that could be useful in developing staff and student training on bullying. The document can be found at <https://dese.ade.arkansas.gov/Offices/communications/safety/anti-bullying-and-violence-prevention>.

8.27—CLASSIFIED PERSONNEL LEAVE — INJURY FROM ASSAULT

Any staff member who, while in the course of their employment, is injured by an assault or other violent act; while intervening in a student fight; while restraining a student; or while protecting a student from harm, shall be granted a leave of absence for up to one (1) year from the date of the injury, with full pay.

A leave of absence granted under this policy shall not be charged to the staff member's sick leave.

In order to obtain leave under this policy, the staff member must present documentation of the injury from a physician, with an estimate for time of recovery sufficient to enable the staff member to return to work, and written statements from witnesses (or other documentation as appropriate to a given incident) to prove that the incident occurred in the course of the staff member's employment.

8.28— DRUG FREE WORKPLACE - CLASSIFIED PERSONNEL

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations.

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug or controlled substance, whether or not engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination. This policy also applies to those employees who are under the influence of alcohol while on campus or at school-sponsored functions, including athletic events.

An employee living on campus or on school owned property is permitted to possess alcohol in his/her residence. The employee is bound by the restrictions stated in this policy while at work or performing his/her official duties.

Possession, use or distribution of drug paraphernalia by any employee, whether or not engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any incident at work resulting in injury to the employee requiring medical attention shall require the employee to submit to a drug test at the discretion of the District, which shall be paid at the District's worker's compensation carrier's expense. Failure for the employee to submit to the drug test or a confirmed positive drug

test indicating the use of illegal substances or the misuse of prescription medications shall be grounds for the denial of worker's compensation benefits in accordance with policy 8.36—CLASSIFIED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION.²

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his/her immediate supervisor within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately.

If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period.

Any employee so charged is subject to discipline, up to and including termination. However, the failure of an employee to notify his/her supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he/she cannot properly perform his/her duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his/her supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his/her physician in order to adjust the medication, if possible, so that the employee may return to his/her job unimpaired. Should the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he/she will, again, be sent home and given sick leave, if owed any. Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his/her own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his/her physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.

A report to the appropriate licensing agency shall be filed within seven (7) days of:

- 1) A final disciplinary action taken against an employee resulting from the diversion, misuse, or abuse of illicit drugs or controlled substances; or
- 2) The voluntary resignation of an employee who is facing a pending disciplinary action resulting from the diversion, misuse, or abuse of illicit drugs or controlled substances.

The report filed with the licensing authority shall include, but not be limited to:

- The name, address, and telephone number of the person who is the subject of the report; and
- A description of the facts giving rise to the issuance of the report.

When the employee is not a healthcare professional, law enforcement will be contacted regarding any final disciplinary action taken against an employee for the diversion of controlled substances to one (1) or more third parties.

Notes: This policy addresses the requirement for Safe and Drug Free Schools which is required for your district to be eligible to receive **any** federal grants. It is required that all employees receive a copy of the policy and be advised of the contents and requirements of the policy. In addition to publishing a policy statement, the statutes require employers to establish a drug-free awareness program to educate employees about the dangers of drug abuse as well as about the specifics of their policy. The statute does not specify a particular format for the awareness program, although it does state that the education effort must be ongoing and not just a one-time event. For assistance in constructing a drug awareness program the Department of Labor has the following website:
<http://webapps.dol.gov/elaws/asp/drugfree/menu.htm>.

² A.C.A. § 11-9-102 states that an injury resulting while the employee is under the influence of alcohol or illegal drugs is not a compensable injury. Requiring all employees to be drug tested for work injuries resulting in medical treatment will allow the district to abide the prohibition against paying worker's' comp for a drug related injury.

8.29—CLASSIFIED PERSONNEL VIDEO SURVEILLANCE AND OTHER MONITORING

The Board of Directors has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff, and visitors while at the same time safeguarding district facilities, vehicles, and equipment. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras, automatic identification, data compilation devices, and technology capable of tracking the physical location of district equipment, students, and/or personnel.

The placement of video/audio surveillance cameras shall be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy anywhere on or near school property, facilities, vehicles, or equipment, with the exception of places such as rest rooms or dressing areas where an expectation of bodily privacy is reasonable and customary.

Signs shall be posted on district property and in or on district vehicles to notify students, staff, and visitors that video cameras may be in use. Violations of school personnel policies or laws caught by the cameras and other technologies authorized in this policy may result in disciplinary action.

The district shall retain copies of video recordings until they are erased which may be accomplished by either deletion or copying over with a new recording.

Videos, automatic identification, or data compilations containing evidence of a violation of district personnel policies and/or state or federal law shall be retained until the issue of the misconduct is no longer subject to review or appeal as determined by board policy or staff handbook; any release or viewing of such records shall be in accordance with current law.

Staff who vandalize, damage, defeat, disable, or render inoperable (temporarily or permanently) surveillance cameras and equipment, automatic identification, or data compilation devices shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video recordings and automatic identification or data compilation records may become a part of a staff member's personnel record.

8.30—CLASSIFIED PERSONNEL REDUCTION IN FORCE

SECTION ONE

The School Board acknowledges its authority to conduct a reduction in force (RIF) when a decrease in enrollment or other reason(s) make such a reduction necessary or desirable. A RIF will be conducted when the need for a reduction in the work force exceeds the normal rate of attrition for that portion of the staff that is in excess of the needs of the district as determined by the superintendent.

In effecting a reduction in force, the primary goals of the school district shall be: what is in the best interests of the students; to maintain accreditation in compliance with the Standards for Accreditation for Arkansas Public Schools and/or the North Central Association; and the needs of the district. A reduction in force will be implemented when the superintendent determines it is advisable to do so and shall be effected through non-renewal, termination, or both. Any reduction in force will be conducted by evaluating the needs and long- and short-term goals of the school district in relation to the staffing of the district.

If a reduction in force becomes necessary, the RIF shall be conducted separately for each occupational category of classified personnel identified within the district on the basis of each employee's years of service. The employee within each occupational category with the least years of experience will be non-renewed first. The employee with the most years of employment in the district as compared to other employees in the same category shall be non-renewed last. In the event that employees within a given occupational category have the same length of service to the district the one with the earlier hire date, based on date of board action, will prevail.

When the District is conducting a RIF, all potentially affected classified employees shall receive a listing of the personnel within their category with corresponding totals of years of service. Upon receipt of the list, each employee has ten (10) working days within which to appeal his or her total years of service to the superintendent whose decision shall be final. Except for changes made pursuant to the appeals process, no changes will be made to the list that would affect an employee's total after the list is released.

Total years of service to the district shall include non-continuous years of service; in other words, an employee who left the district and returned later will have the total years of service counted, from all periods of employment. Working fewer than one hundred sixty (160) days in a school year shall not constitute a year. Length of service in a licensed position shall not count for the purpose of length of service for a classified position. There is no right or implied right for any employee to "bump" or displace any other employee. This specifically does not allow a licensed employee who might wish to assume a classified position to displace a classified employee.

Pursuant to any reduction in force brought about by consolidation or annexation and as a part of it, the salaries of all employees will be brought into compliance, by a partial RIF if necessary, with the receiving district's salary schedule. Further adjustments will be made if length of contract or job assignments change.¹ A Partial RIF may also be conducted in conjunction with any job reassignment whether or not it is conducted in relation to an annexation or consolidation.

Recall:

There shall be no right of recall for any classified employee.

SECTION TWO

The employees of any school district which annexes to, or consolidates with, the Hackett District will be subject to dismissal or retention at the discretion of the school board, on the recommendation of the superintendent, solely on the basis of need for such employees on the part of the Hackett District, if any, at the time of the annexation or consolidation, or within ninety (90) days after the effective date of the annexation or consolidation. The need for any employee of the annexed or consolidated school district shall be determined solely by the superintendent and school board of the Hackett District.

Such employees will not be considered as having any seniority within the Hackett District and may not claim an entitlement under a reduction in force to any position held by a Hackett District employee prior to, or at the time of, or prior to the expiration of ninety (90) days after the consolidation or annexation, if the notification provision below is undertaken by the superintendent.

The superintendent shall mail or have hand-delivered the notification to such employee of the superintendent's intention to recommend non-renewal or termination pursuant to a reduction in force within ninety (90) days of the effective date of the annexation or consolidation in order to effect the provisions of this section of the Hackett District's reduction-in-force policy. Any such employees who are non-renewed or terminated pursuant to Section Two are not subject to recall. Any such employees shall be paid at the rate for each person on the appropriate level on the salary schedule of the annexed or consolidated district during those ninety (90) days and/or through the completion of the reduction-in-force process.

This subsection of the reduction-in-force policy shall not be interpreted to provide that the superintendent must wait ninety (90) days from the effective date of the annexation or consolidation in order to issue a notification of the superintendent's intention to recommend dismissal through reduction-in-force, but merely that the superintendent has that period of time in which to issue a notification so as to be able to invoke the provisions of this section.

The intention of this section is to ensure that those Hackett District employees who are employed prior to the annexation or consolidation shall not be displaced by employees of the annexed or consolidated district by application of the reduction-in-force policy.

Notes: ¹ For example, if the district's salary schedule provided for a range of salaries for maintenance employees ranging from \$8.50 an hour to \$12.50 an hour, and one maintenance employee is making \$14.00 an hour, the superintendent, as part of the RIF, would send a letter of partial nonrenewal to the maintenance employee to bring the salary into compliance with the salary schedule.

The PPC shall have the time prescribed by law and/or policy in which to make any suggested changes before the board may vote to adopt the calendar.

8.34—CLASSIFIED PERSONNEL DUTIES AS MANDATED REPORTERS

It is the statutory duty of school district employees to:

- If the employee has reasonable cause to suspect child abuse or maltreatment, then the employee shall directly and personally report these suspicions to the Arkansas Child Abuse Hotline¹; by calling 1-800-482-5964; by calling the child maltreatment hotline at 1-800-482-5964 and submitting a report through fax to the child maltreatment hotline; or if the employee can demonstrate that the child maltreatment, neglect, or abuse is not an emergency, then the employee may notify the child maltreatment hotline through submission of a fax only. Failure to report suspected child abuse, maltreatment, or neglect through the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.
- If the employee has a good faith belief that there is a serious and imminent threat to the public based on a threat made by an individual regarding violence in or targeted at a school that has been communicated to the employee in the ordinary course of his/her professional duties, then the employee shall make every attempt to immediately notify law enforcement of the serious and imminent threat to the public and have notified law enforcement within twenty-four (24) hours of learning of the serious and imminent threat to the public.

The duty of mandated reporters to report suspected child abuse or maltreatment or serious and imminent threats to the public is a direct and personal duty, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person or that form the basis of the serious and imminent threat to the public; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment, or neglect has occurred; that a serious and imminent threat to the public exists; or to rule out such a belief¹.

Employees and volunteers who notify the Child Abuse Hotline or who report serious and imminent threats to the public to law enforcement in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer **who is a mandated reporter** from directly reporting suspected child abuse, maltreatment, or a serious and imminent threat to the public, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline or law enforcement.

Notes: This policy is similar to Policy 3.40. If you change this policy, review 3.40 at the same time to ensure applicable consistency between the two.

¹ This is a delicate matter and the district would be wise to avail itself of professional development (PD) in this area available from DHS and other sources. While A.C.A. § 6-61-133 requires PD related to child maltreatment for only licensed employees and includes school nurses, school social workers, and school psychologists in the list of “licensed employees” who must receive the required PD², the list of mandated reporters under A.C.A. § 12-18-402 includes all district employees; as a result, Policy 3.6—

LICENSED PERSONNEL EMPLOYEE TRAINING includes language requiring all district employees to receive at least two (2) hours of PD on this topic on a rotating basis.

8.35— OBTAINING and RELEASING STUDENT’S FREE AND REDUCED PRICE MEAL ELIGIBILITY INFORMATION

Obtaining Eligibility Information

A fundamental underpinning of the National School Lunch and School Breakfast Programs (Programs) is that in their implementation, there will be no physical segregation of, discrimination against, or overt identification of children who are eligible for the Program's benefits. While the requirements of the Programs are defined in much greater detail in federal statutes and pertinent Code of Federal Regulations, this policy is designed to help employees understand prohibitions on how the student information is obtained and/or released through the Programs. Employees with the greatest responsibility for implementing and monitoring the Programs should obtain the training necessary to become fully aware of the nuances of their responsibilities.

The District is required to inform households with children enrolled in District schools of the availability of the Programs and of how the household may apply for Program benefits. However, the District and anyone employed by the district is **strictly forbidden** from **requiring** any household or student within a household from submitting an application to participate in the program. There are NO exceptions to this prohibition and it would apply, for example, to the offer of incentives for completed forms, or disincentives or negative consequences for failing to submit or complete an application. Put simply, federal law requires that the names of the children shall not be published, posted or announced in any manner.

In addition to potential federal criminal penalties that may be filed against a staff member who violates this prohibition,¹ the employee shall be subject to discipline up to and including termination.

Releasing Eligibility Information

As part of the district’s participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data’s confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information² as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information shall only be released on a need to know basis to individuals authorized to receive the data. The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform their job responsibilities. Principals, counselors, teachers, and administrators shall not have routine access to eligibility information or status.

Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.¹

Notes: This policy is similar to policy 3.42. If you change this policy, review policy 3.42 at the same time to ensure applicable consistency between the two.

The Child Nutrition Unit of the DESE website (<https://dese.ade.arkansas.gov/Offices/child-nutrition-unit>) has the referenced Commissioner's Memos as well as helpful information to develop your policy statement packet. Additionally, Commissioner's Memos FIN 09-041 has two attachments that will go a long way toward explaining the restrictions on the release of eligibility information and status.

¹ The penalty for improper disclosure of eligibility information is a fine of not more than \$1000 per student name if a violation is by either the district or a person in the district without authorization under federal confidentiality regulations and/or imprisonment of not more than one year.

² The district owns the data and has the right to choose whether or not to release it to **anyone**. Therefore, the district must make the decisions concerning its release. With the ownership comes the responsibility to ensure proper security of the data.

8.36—CLASSIFIED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION

The district provides Workers' Compensation (WC) Insurance, as required by law. Employees who sustain **any** injury at work must immediately notify their immediate supervisor, or in the absence of their immediate supervisor notify any administrator or the Central Office. An injured employee must fill out a Form N and the employee's supervisor will determine whether to report the claim or to file the paperwork if the injury requires neither medical treatment or lost work time. While many injuries will require no medical treatment or time lost at work, should the need for treatment arise later, it is important that there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

The District may discipline an employee, up to and including termination of the employee's contract, if it is discovered that the employee:

1. Deliberately made false statements concerning the origin of an injury or the circumstances surrounding the injury; or
2. submitted a WC claim that the employee knew to be based substantially or entirely on false information.

An employee shall not be disciplined solely because the District's WC carrier denied the employee's WC claim.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specific physician or clinic. In addition, employees whose injuries require medical attention shall submit to a drug test, which shall be paid at the District's WC carrier's expense. Failure for the employee to submit to the drug test or a confirmed positive drug test indicating the use of illegal substances or the misuse of prescription medications shall be grounds for the denial of WC benefits.²

A WC absence may run concurrently with FMLA leave (policy 8.23) when the injury is one that meets the criteria for a serious health condition. To the extent that WC benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted daily rate of pay. If the health care provider treating the employee for the WC injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose his/her WC payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Employees who are absent from work in the school district due to a WC claim may not work at a non-district job until they have returned to full duties at their same or equivalent district job; those who violate this prohibition may be subject to discipline up to and including termination. This prohibition does NOT apply to an employee who has been cleared by his/her doctor to return to "light duty" but the District has no such position available for the employee and the employee's second job qualifies as "light duty".

To the extent an employee has accrued sick leave and a WC claim has been filed, an employee:

- Will be charged for a day's sick leave for all days missed until such time as the WC claim has been approved or denied;
- Whose WC claim is accepted by the WC insurance carrier as compensable and who is absent for eight (8) or more days shall be charged sick leave at the rate necessary, when combined with WC benefits, to bring the total amount of combined income up to 100% of the employee's usual contracted daily rate of pay;
- Whose WC claim is accepted by the WC insurance carrier as compensable and is absent for fourteen (14) or more days will be credited back that portion of sick leave for the first seven (7) days of absence that is not necessary to have brought the total amount of combined income up to 100% of the employee's usual contracted gross pay.

Notes: This policy is similar to policy 3.44. If you change this policy, review 3.44 at the same time to ensure applicable consistency between the two.

¹ Insert the **position** of the person to be notified.

² Requiring employees who need medical treatment for injuries at work to be drug tested is optional but is recommended. A.C.A. § 11-9-102 states that an injury resulting while the employee is under the influence of alcohol or illegal drugs is not a compensable injury. Requiring all employees to be drug tested for work injuries resulting in medical treatment will allow the district to abide the prohibition against paying worker's comp for a drug related injury.

8.37—CLASSIFIED PERSONNEL SOCIAL NETWORKING AND ETHICS

Definitions

Social Media Account: a personal, individual, and non-work related account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as FaceBook, Twitter, LinkedIn, MySpace, or Instagram.

Professional/education Social Media Account: an account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as FaceBook, Twitter, LinkedIn, MySpace, or Instagram.

Blogs are a type of networking and can be either social or professional in their orientation. Professional blogs, approved by the principal or his/her designee, are encouraged and can provide a place for staff to inform students and parents on school related activities. Social blogs are discouraged to the extent they involve staff and students in a non-education oriented format.

Policy

District staff are encouraged to use educational technology, the Internet, and professional/education social networks to help raise student achievement and to improve communication with parents and students. However, technology and social media accounts also offer staff many ways they can present themselves unprofessionally and/or interact with students inappropriately.

It is the duty of each staff member to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves.

Public school employees are, and always have been, held to a high standard of behavior. Staff members are reminded that whether specific sorts of contacts are permitted or not specifically forbidden by policy, they will be held to a high standard of conduct in all their interactions with students. Failure to create, enforce and maintain appropriate professional and interpersonal boundaries with students could adversely affect the District's relationship with the community and jeopardize the employee's employment with the district.

Staff members are discouraged from creating personal social media accounts to which they invite students to be friends or followers.¹ Employees taking such action do so at their own risk and are advised to monitor the site's privacy settings regularly.

District employees may set up blogs and other professional/education social media accounts using District resources and following District guidelines¹ to promote communications with students, parents, and the community concerning school-related activities and for the purpose of supplementing classroom instruction. Accessing professional/education social media during school hours is permitted.

Staff are reminded that the same relationship, exchange, interaction, information, or behavior that would be unacceptable in a non-technological medium, is unacceptable when done through the use of technology. In fact, due to the vastly increased potential audience that digital dissemination presents, extra caution must be exercised by staff to ensure they don't cross the line of acceptability. A good rule of thumb for staff to use is, "if you wouldn't say it face-to-face in a group, don't say it online."

Whether permitted or not specifically forbidden by policy, or when expressed in an adult-to-adult, face-to-face context, what in other mediums of expression could remain private opinions, including "likes" or comments that endorse or support the message or speech of another person, when expressed by staff on a social media website, have the potential to be disseminated far beyond the speaker's desire or intention. This could undermine the public's perception of the individual's fitness to interact with students, thus undermining the employee's effectiveness. In this way, the expression and publication of such opinions, could potentially lead to disciplinary action being taken against the staff member, up to and including termination or nonrenewal of the contract of employment.

Staff who are employed by the district as a teacher under a waiver from licensure should be aware that, in addition to the restrictions on inappropriate interactions with students and dissemination of information under this policy, they are required to follow the Division of Elementary and Secondary Education (DESE) Rules Governing the Code of Ethics for Arkansas Educators. Violations of this policy that would also violate the Code of Ethics for Arkansas Educators may result in the filing of an ethics complaint with DESE.²

Accessing social media websites for personal use during school hours is prohibited, except during breaks or preparation periods. Staff are discouraged from accessing social media websites on personal equipment during their breaks and/or preparation periods because, while this is not prohibited, it may give the public the appearance that such access is occurring during instructional time. Except when expressly authorized by the employee's job duties, staff shall not access social media websites using district equipment at any time, including during breaks or preparation periods, except in an emergency situation or with the express prior permission of school administration. Except when expressly authorized by the District employee's job duties and when District procedures have been followed, all school district employees who participate in social media websites shall not post any school district data, documents, photographs taken at school or of students, logos, or other district owned or created information on any website. Further, the posting of any private or confidential school district material on such websites is strictly prohibited. The posting of prohibited material or posting without following proper procedures may result in disciplinary action against the District employee, up to and including termination or non-renewal.

Specifically, the following forms of technology based interactivity or connectivity are expressly permitted or forbidden:

Privacy of Employee's Social Media Accounts

In compliance with A.C.A. § 11-2-124, the District shall not require, request, suggest, or cause a current or prospective employee to:

1. Disclose the username and/or password to his/her personal social media account;
2. Add an employee, supervisor, or administrator to the list of contacts associated with his/her personal social media account;
3. Change the privacy settings associated with his/her personal social media account; or

4. Retaliate against the employee for refusing to disclose the username and/or password to his/her personal social media account.

The District may require an employee to disclose his or her username and/or password to a personal social media account if the employee's personal social media account activity is reasonably believed to be relevant to the investigation of an allegation of an employee violating district policy; local laws; state laws and rules; or federal laws and regulations. If such an investigation occurs, and the employee refuses, upon request, to supply the username and/or password required to make an investigation, disciplinary action may be taken against the employee, which could include termination or nonrenewal of the employee's contract of employment with the District.

Notwithstanding any other provision in this policy, the District reserves the right to view any information about a current or prospective employee that is publicly available on the Internet.

In the event that the district inadvertently obtains access to information that would enable the district to have access to an employee's personal social media account, the district will not use this information to gain access to the employee's social media account. However, disciplinary action may be taken against an employee in accord with other District policy for using district equipment or network capability to access such an account. Employees have no expectation of privacy in their use of District issued computers, other electronic device, or use of the District's network. (See policy 8.22—CLASSIFIED PERSONNEL COMPUTER USE POLICY)

Notes: This policy is similar to policy 3.45. If you change this policy, review 3.45 at the same time to ensure applicable consistency between the two.

While only the Privacy of Employee's Social Media Accounts section of this policy is required by statute, ASBA strongly recommends adopting the policy in its entirety after consulting with staff for localizing purposes.

¹ The policy's separate definitions for "social media websites" and "professional/education social media accounts" are important. Districts are encouraged to establish "professional/education social media accounts" as an acceptable means of teacher and district communication with students and parents. This can serve to discourage inappropriate staff/student interactions on "social media websites." ASBA strongly suggests using the discussions for modifying/personalizing this policy as a means for generating the acceptable guidelines and procedures for staff creation of private social networks. We recommend **NOT** incorporating the guidelines into the policy, but have them available for all staff to review. Incorporating them into the policy will make it much harder to change them if the need arises.

² If you do not have a waiver allowing individuals to be employed as a teacher under a waiver from licensure, remove this language.

³ What is and is not acceptable staff/student interaction on social networking websites is an education community decision, and will vary from district to district. As a general rule, the greater the degree of real-life connections and interactivity between staff and students that normally occur in the community, the greater the tolerance will be for virtual connections and interactivity. Use the following list to help

guide discussions with staff to determine which items should be included in the policy and with what modifications/stipulations. It is as important to include in the policy what **is** permitted as what **is not** permitted. Your discussions may elicit additional bullets to include in the policy.

- Sharing personal landline or cell phone numbers with students;
- Text messaging students;
- Emailing students other than through and to school controlled and monitored accounts;
- Soliciting students as friends or contacts on social networking websites;
- Accepting the solicitation of students as friends or contacts on social networking websites;
- Creation of administratively approved and sanctioned “groups” on social networking websites that permit the broadcast of information without granting students access to staff member’s personal information;
- Sharing personal websites or other media access information with students through which the staff member would share personal information and occurrences.

8.38—CLASSIFIED PERSONNEL VACATIONS

240 day contracted employees are credited with 10 days of vacation at the beginning of each fiscal year. This is based on the assumption that a full contract year will be worked. If an employee fails to finish the contract year due to resignation or termination, the employee's final check will be reduced at the rate of .833 days per month, or major portion of a month, for any days used but not earned.

Employees may not generally take vacation during instructional time. All vacation time must be approved, in advance to the extent practicable, by the superintendent or designee. If vacation is requested, but not approved, and the employee is absent from work in spite of the vacation denial, disciplinary action will be taken against the employee, which may include termination or nonrenewal.

Earned but unused vacation will not be reimbursed in any amount upon retirement or any manner of severance of employment.¹

Notes: ¹ Unlike sick leave, vacation is not transferable from one district to another and the district can determine a set sum (so many dollars for each unused day) or as a percentage of the employee's daily rate of pay. Hackett District sets the amount at \$0 and it is the responsibility to the employee to manage any vacation days accrued.

It is the responsibility of any staff member to deposit such funds they have collected daily into the appropriate accounts for which they have been collected. The Superintendent or his/her designee shall be responsible for determining the need for receipts for funds collected and other record keeping requirements and of notifying staff of the requirements.

Staff that use any funds collected in the course of their employment for personal purposes, or who deposit such funds in a personal account, may be subject to discipline up to and including termination.

8.40—CLASSIFIED PERSONNEL WEAPONS ON CAMPUS

Firearms¹

Except as permitted by this policy, no employee of this school district, including those who may possess a “concealed carry permit,” shall possess a firearm on any District school campus or in or upon any school bus or at a District designated bus stop.

Employees who meet one or more of the following conditions are permitted to bring a firearm onto school property:

- He/she is participating in a school-approved educational course or program involving the use of firearms such as ROTC programs, hunting safety or military education, or before or after-school hunting or rifle clubs;
- He/she is a registered, commissioned security guard/school officer acting in the course and scope of his/her duties;
- He/she is a certified law enforcement officer, either on or off duty;
- He/she has a valid conceal carry license and leaves his/her handgun in his/her locked vehicle in the district parking lot.

Possession of a firearm by a school district employee who does not fall under any of the above categories anywhere on school property, including parking areas and in or upon a school bus, will result in disciplinary action being taken against the employee, which may include termination or nonrenewal of the employee.

Other Weapons

An employee may possess a pocket knife which for the purpose of this policy is defined as a knife that can be folded into a case and has a blade or blades of less than three (3) inches or less each. An employee may carry, for the purpose of self-defense, a small container of tear gas, pepper spray, or mace which for the purpose of this policy is defined as having a capacity of 150cc or less. Employees are expected to safeguard such items in such a way as to ensure they are not possessed by students. Such items are not to be used against students, parents or other school district employees. Possession of weapons, knives or self-defense items that do not comply with the limits contained herein, the failure of an employee to safeguard such items, or the use of such items against students, parents or other school district employees may result in disciplinary action being taken against the employee, which may include termination or nonrenewal of the employee.

Employees who are participating in a Civil War reenactment may bring a Civil War era weapon onto campus with prior permission of the building principal. If the weapon is a firearm, the firearm must be unloaded.²

Notes: This policy is similar to Policy 3.48. If you change this policy, review Policy 3.48 at the same time to ensure consistency between the two.

¹ The possession of handguns and firearms is a very hot topic. In Arkansas, the laws governing their possession on school grounds are both complicated and less than clear. The two statutes most directly affecting schools are A.C.A. § 5-73-119 (herein after 119) and A.C.A. § 5-73-306 (herein after 306).

119 governs firearms (including handguns) while 306 deals strictly with concealed handguns (those guns having a barrel length of 12" or less).

119 prohibits firearms on "developed school property" while 306 prohibits concealed handgun permit holders from carrying their handguns into school buildings or events but permits the concealed carry licensee to leave a handgun in his/her locked vehicle at a publicly owned parking lot.

119 permits those who are on a "journey beyond the county in which a person lives" to carry handguns and firearms on school property. Technically, this would allow those employees who commute from outside the county in which they teach to bring their firearms to school. While we accept that concealed carry licensees may leave their handgun in their locked vehicle in the parking lot, we see this as complicated to enforce and generally problematic. Also, as we interpret the statute, parents visiting the school for an athletic or other event can bring their handgun, though it must be left in their locked vehicle, with them. We cannot control that through policy.

² While the policy language only specifically covers employees, A.C.A. § 6-5-502 permits any person who is a Civil War reenactor to bring a Civil War era weapon onto campus with the prior permission of the principal.
