

Wellness Committee Meeting Friday, September 14, 2018

Meeting called to order 12:30 pm with Liberti Null, Vickie Webb, Michael Freeman, John Six, Angel Dake, Marilyn Teague, and Pat Black all present.

Liberti Null passed out Hackett's current wellness policy. The committee read through the policy and discussed items within the policy. The committee felt Hackett was in compliance but that further discussion was needed in the future.

Liberti Null passed out the staff memo concerning Smart Snacks. All food sales on campus must be approved by the Wellness Committee and pass Smart Snack guidelines/calculator. Liberti Null provided the approved Smart Snacks that are being sold out of the Coke machine in high school.

John Six gave a detailed description of his physical education class. The committee was pleased and wanted to know of any updates and felt it could make suggestions at a later date.

Vickie Webb stated we need to replace our student on the committee. She stated Brooke Holt would be a great replacement. Committee agreed to add Brooke to the committee and she will be present at next meeting.

The committee set the following meeting dates:

November 15, 2018

February 7, 2019

April 18, 2019

Agenda for next meeting:

Review Menus

Review School Health Index

Review Vending Machine Policy

Meeting adjourned at 1:35 pm.

Wellness Committee Meeting Thursday, November 15, 2018

Meeting called to order 12:30 pm with Liberti Null, Vickie Webb, Michael Freeman, John Six, Angel Dake, Marilyn Teague, Pat Black and Brooke Holt all present.

Liberti Null stated that our current vending policy was in place. Items from vending may not be sold until 30 minutes after lunch. She also passed around the items that were presented to her for fundraising that did not pass the Smart Snack calculator. At this time no food sales on campus are allowed. At next meeting committee will walk campus to inspect Hackett is in compliance with vending policy.

Angel Dake passed out December-February menu for review. Brooke Holt stated that students loved the fresh strawberries and would like to know if the cafeteria could serve more fresh fruit when available. Committee passed menus 8-0.

Vickie Webb presented the School Health Index to all present members. After discussion concerning Hackett's BMI the committee will need to further discuss at the upcoming meetings.

Next Meeting:

February 7, 2019

Agenda for next meeting:

Upcoming AR in Cafeteria

Meeting adjourned at 1:15 pm.

Wellness Committee Meeting Thursday, February 7, 2019

Meeting called to order 9:00 am with Liberti Null, Vickie Webb, Michael Freeman, Debbie Buehrer, Angel Dake, John Six, Jodi Taylor and Marilyn Teague all present.

Angel Dake went over the cafeteria's upcoming Administrative Review. CNU area specialist and the USDA would be on campus February 19th – February 22nd.

Liberti Null passed out the current Coca Cola Bottling Company contract and gave an update on current balance/sales of approved beverages from the vending machines. Committee ask to verify the timers were set properly and Liberti Null said she would call Coke and have the timers checked to assure Hackett was in compliance. Approved beverages are only allowed to be sold from 1pm – 7:30am on the high school campus.

Marilyn Teague gave a brief statement concerning the flu that was affecting the area. Hackett has not seen a decrease in attendance as of today. Committee suggested purchasing more hand sanitizer and made sure the cafeteria exits were filled with sanitizer as well.

Vickie Webb gave an update on the Dental Assembly being held Friday, February 8th. Dr. Lee's office would be sending hygienist to visit the Pre-K – 1st grades.

Vickie Webb gave an update on Healthy Active Arkansas Rethink Your Drink: Choose Water Funding Grant. She is attempting to get 2 Elkay Enhanced Bottle Filling Water Fountains for elementary and high school. Also, discussed a Water policy for the entire district. She will provide more information at a later date.

Next meeting:

April 18, 2019

Agenda for next meeting:

AR finding and corrective action if needed

Review Wellness Policy for upcoming school year

Meeting adjourned 10:20 am.
