August 24, 2018

As Big Sandy ISD begins the 2018-2019 school year, we want to remind you of Big Sandy ISD's inclement weather, school closure, late start and early release procedures. As the superintendent, I am responsible for the final decision, based on weather (predicted and current), campus conditions and recommendations from district directors, administrators and the local emergency management authorities.

Please keep in mind that inclement weather and unforeseen emergencies can happen at any time and that disruptions to school schedules require Big Sandy ISD to distribute information to all parents/guardians in a very short amount of time, please **seek out** information if you have any questions as to what is happening.

CONTACT INFORMATION .

It is important that Big Sandy ISD has your most current emergency contact phone numbers for our calling system. Please take the time to update that information with your child's campus if needed.
