

Scholarships Awards – Evant Graduates

Three deserving graduates from EISD have received scholarships from the Evant ISD Heritage Foundation. Each of the recipients is taking a different path after high school, pursuing their own passions and career interests.

Jessie Herbst will be attending Texas Tech University and intends to major in Natural Resources Management with a Wildlife Biology concentration. Jessie also hopes to compete on the Ranch Horse Team where her past 4H/FFA involvement and her experience in training horses will be beneficial.

Kaylee Kuzenka wants to be a Law Enforcement Officer and plans on attending Tarleton State University and studying Criminal Justice. Kaylee was ranked second in her graduating class and was active in FFA, the Elkettes Drill Team and the Evant Rodeo Association.

Colton McCann has volunteered as a firefighter with the Evant VFD for the last two years. This experience has lead him to participate in the Fire Academy with the Turnersville Fire Dept. and hopefully continue his education at the Temple Fire Academy and obtain a Civil Engineering degree from Central Texas Community College. Colton was a driven athlete in high school, exceling in football, basketball, track and cross country.

Each of these students received a \$1,000 scholarship from the Evant ISD Heritage Foundation, this is the second year that the Foundation has awarded scholarships to graduating seniors. Scholarship applications should be available on the school website in early Spring of each year.
