to Parent Teacher
Conference
No School Nov. 1

Spelling Words:

whirl	herds	turns
third	stern	learn
girls	serve	pearl
firm	hurt	word
fern	nurse	world
stretch	thick	whales
perfect	Thursday	

Notes from
Mrs. Wylie:

Learning is a HOOT!

Reading-Students will be learning to find character, setting, and plot of a story. Students will dig deeper into vocabulary words. To become a better reader you have to understand what you read and spend many minutes reading.

Spelling- Words with r-controlled vowels.

Science- Students will be asking the question: Can selection happen without people? They will be thinking about heredity, variation, and selection.

Social Studies- We will be starting a community project with the City of Caldwell.

Math-Students will be working on multiplication. They will work on 3's, 6's, and 7's.

Spelling words are getting harder and students need to study at home. Test will be on Thursday, Oct. 31.

Thursday is the last day to get AR goal for October.
