Dear Commissioner Morath,

The United Independent School District in conjunction with the District Advisory Committee have submitted for School Board approval an Innovation Plan to be decided on March 22, 2017. A consensus was reached with our District Advisory Committee to include the following five exemptions, Campus Behavior Coordinator, Teacher Certification for Career and Technical Education & Dual Credit, Minimum Attendance, Operation of School (Instructional Minutes), First Day of Instruction.

We appreciate this opportunity we have been afforded in becoming a District of Innovation. Please feel free to contact me at any time should you have any questions regarding this submission to our School Board.

Respectfully,

Roberto J. Santos
Superintendent
