

# UNITED INDEPENDENT SCHOOL DISTRICT

---

March 20, 2020

Dear Zaffirini Elementary Family,

The City of Laredo Health Department notified United ISD officials this evening that there is a second confirmed case of the novel coronavirus--COVID-19 by another employee from Zaffirini Elementary.

The City of Laredo Health Department asks that all Zaffirini Elementary students, staff and their families continue to self-monitor for the remainder of the fourteen day period; self-monitoring period will end March 27, 2020, in an attempt to contain the spread of this virus. Self-monitor means to monitor your health and that of your family. Temperature should be taken twice a day and should anyone develop flu-like symptoms (e.g. fever, cough, chest congestion, body ache), call your doctor and the City of Laredo Health Department's 24/7 COVID-19 hotline (956) 795-4954.

The campus has been extensively sanitized and the District continues to take measures to protect everyone's health and safety.

We appreciate your cooperation during this uncertain time. We are a strong community and we will continue to support and care for each other.

Respectfully,

A handwritten signature in black ink that reads 'Roberto J. Santos'.

Roberto J. Santos  
Superintendent for United ISD
