

# UNITED FFA CHAPTER: IMPORTANT INFORMATION

## PLEASE READ

Dear Parents, Guardians and Students,

The United FFA Chapter welcomes you to the 2020-2021 school year. This year brings us new struggles and new challenges with Covid 19. However, as an FFA Family, together we will become more resilient and innovative, and develop a character which will build on our strength to overcome this adversity. As your son's/daughter's Ag. Teachers', we continue to look forward to another year filled with many successful events and activities. Also, due to recent changes in our program of study, students will be enrolled in FFA only one semester throughout the year. Due to these changes, we will not be having direct contact with all students like we would in previous years. It is important that you complete the survey below as soon as possible so that we have a better representation of the students that will participate in LIFE and/or other LDE's and CDE's. Again, we thank you in advance and we kindly ask that you please fill out as soon as possible so we can start sending out IMPORTANT INFORMATION. If you have any questions, please feel free to contact us.
