RE: COVID-19 (Coronavirus) Information

Dear Parent or Guardian of Center Point ISD Student(s)

The administration and staff of Center Point ISD make student health, wellbeing and safety a top priority. With that in mind, we wanted to make you aware that we are closely monitoring all information that has become available regarding the COVID-19 (Coronavirus) situation.

We are following guidance provided by and in contact with the Texas Education Agency and the State Health and Human Services Department daily regarding school closings and procedures and are taking all steps as recommended.

A reminder that next week, March 16th thru March 20th is Spring Break. Should the need arise to extend the closure of school beyond Spring Break, or cancel any upcoming school activities or athletic events, we will notify parents/guardians via the school messenger (calling system). Updates will also be posted on our website as needed.

Please feel free to contact the campus offices if you have additional questions or concerns.

Sincerely,

Cody Newcomb
Superintendent
