**10-5-2020**

**Parents and Students:**

**Thank you so much for your patience during these trying times! Long ago, Balmorhea ISD ordered enough Chrome Books for each and every student to have one. Unfortunately, they have not all been delivered.**

**Mr. Galindo has been working extremely hard to get all available technology in the hands of our students. There are currently 23 devices ready for pickup in the main office and another 30 devices being prepared for Wednesday's remote asynchronous instruction.**

**At this time, we cannot have more than one device per household. In certain instances (4 or more children), we are allowing 2 per household as we wait on additional deliveries.**

**Please call the school on Wednesday morning after 8AM to verify that you need a device and we will work diligently to have all available devices ready for pickup in front of the school sometime that day.**

**At the moment, we will not have enough devices for our students in grades PK-5 until we receive them from the manufacturer. Please email any and all questions to [glaramore@bisdbears.esc18.net](mailto:glaramore@bisdbears.esc18.net).**

**Have a great week and thank you for all you do to make this a great community to raise a family in and a great school district to be part of!**

**Gary Laramore  
Principal - Balmorhea ISD**

**"Bears Rise Above!"**
