*Pep Rallies dates and times will be announced. All Community Pep Rally dates and times are to be announced.

Performances are a very important part of the band student's learning process and should be attended by all students in the Hempstead High School Band. It is important that all students remain academically eligible to perform or play in any UIL related event.

Concerts are given to show the progress of our band students to their families and the community of Hempstead. Please make every effort to attend the band concerts and show your support for the students. Your continued support for our band program is greatly appreciated by the students, and faculty of the Hempstead Independent School District.
