## **I. STATEMENT OF PURPOSE**

Grulla High School is committed to providing quality education to every student in RGCCISD. Partnerships with parents and the community are essential to this goal, as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. Grulla High School intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Grulla High School will be distributed to parents with the expectation that all students will work toward these goals. family meals are as important as volunteering at school and serving on advisory committees.
