Why is there a student fee for attendance recovery? Eleven (11) attendance recovery days are embedded throughout the school year providing an opportunity for students to recover time absent from the instructional setting, free of charge. If students did not attend the school recovery days and/or need additional recovery time; summer recovery fees apply.

No students will be allowed to miss more than one (1) day during the summer session.

Students are expected to be on time for class and stay for the entire session.

1. **DRESS:** Summer school will follow the Parish dress code.
2. **DISCIPLINE:** We are concentrating on optimal learning time during the summer session; therefore, **behavior problems will not be tolerated. Students causing a disturbance will be dismissed from the program and any money paid will be forfeited.**
3. **STUDENT PROGRESS:** The progress of each student will be carefully monitored by a classroom teacher. The teacher will send home weekly progress reports.

****Students on Medication must make arrangements to take medication prior to coming to school. No certified personnel will be available to administer medication during summer school hours.**
