First Day of school!

Principal's Message:

As the school year comes to an end, let's take time to reflect on all the great things that have happened at Parkway Elementary this year. For example, we welcomed in a set of school/military counselors; Mrs. Tammy Gavin, Mrs. Marla Quiett, and Mrs. Melissa Maddox. Many new teachers came on board and joined the existing faculty with great enthusiasm. From Virtual School, Art Poster Contests, White House Christmas Ornament Contest, Red Ribbon Week, 4-H Club, PBIS redesign, Exciting Lessons/Activities, Book Fairs, Yearbooks, Jingle Bell Jog-a-thon, Month of the Military Child celebrations; St. Jude Fundraiser, March Math Madness, After-school Reading/Math programs, Class Projects, Parents' Night Out: Dinner and a Movie, Art Club Pilot, Teacher Appreciation Week, Kickball Championships, all the way up to Field Day in the midst of two named hurricanes, a snowstorm, and a pandemic---*Whew!* We made it! Our year has been filled with many beautiful and lasting memories. We would like to extend a BIG thank you to all of our volunteers, community organizations, and partners in education. Working together we have been able to accomplish many great things this school year. We could not do any of this great work without your help!

Let's continue to aim for excellence. During the summer months ahead, it is important that students maintain their math and reading skills. There are lots of apps and computer games that students can use to practice as well as paper/pencil and flash card drills. **Read, read, read!** Have your child read with you, to siblings, to pets, or to stuffed animals; listen to audiobooks; or read as a family. Summer is a wonderful time to relax and rejuvenate, and there is nothing quite like being outside in the sunshine with our friends, family, and a good book!

We have all worked together to remain resilience and exemplify this year's school theme: *We Grow Together. We Learn Together. We Love Together. Patriots for Life!*

Despite all of the many obstacles and adjustments we've made to make this year possible, we end the year with gratitude in our hearts. We were able to make it through this year...TOGETHER! It has been a fantastic year! Have a great summer, Parkway Patriots.

STOCK UP FOR SUMMER READING!

MAY 10-14, 2021

Reading is the most important skill a child can learn. Like any skill, becoming a good reader takes practice. Kids are happy to practice reading when they have books they love. Our "Buy One, Get One Free" Book Fair is the perfect place for them to find the books they'll want to read. They'll get one free book with every book they buy, but more importantly, they'll be building a strong foundation for future success!
