1/8/21

Wapsie Valley CSD will be adopting the new public health proclamation [Health Proclamation Link](#). Activity spectators are expected to enter through the front of the school (west) and enter through the \$5 admission booths. NICL tickets are no longer required at the door. All Wapsie Valley season passes will be honored and must be presented at the ticket booth. Spectators entering as groups should ensure social distancing where possible. Masks are required while in the building.

We strongly encourage fans to watch the live stream online at home if possible to help encourage social distancing in our gym.
