- All athletes, coaches, or any other team personnel should be screened before each athletic contest.
- While we believe that sportsmanship is important to the success and development of athletes, we recommend that there is no hand shake before or after the competition to reduce the amount of direct contact.
- Please follow the designated seating signs in the lobby for fan seating during the tournament.
- All tournament team will be announced on Monday, December 14.

In our evaluation during this daunting time, the effort is to maintain the best normalcy of the Winter Classic as possible. Our hope is that all in attendance will follow these recommendations to ensure that these high school athletes can continue their basketball career in the time of a pandemic. If these recommendations are not adhered to, we could limit fans being in the gym until the community spread decreases.
