

MADILL
Public School District

Winter Sports Guidelines:

**** These guidelines will be reevaluated after January 1, 2021. We understand that circumstances may change and these guidelines could be altered as needed. It is our hope that as Wildcat fans, you will adhere to these recommendations to give your student athlete the chance to have an indoor season. If these guidelines are not followed, we could eliminate fans being in the gym area until the community spread decreases. ****

- Masks will be worn inside the gym at all times. (Except while eating or drinking)
- Social distancing will be following. Families are encouraged to set together as a group and to social distance from other family groups.
- We are also asking parents and fans to exit the gym when your child's event is completed. There will be no one allowed on the court before or after the game.**
- Our gym seating will be at a reduced capacity. Each player will receive **two vouchers which allows the holder to purchase tickets of admission.** All games will be broadcast live on www.madillok.com. This will be for the visiting team and home team.
- There will be no hospitality rooms at home events.
- No elementary school age children will be allowed to attend without their parents for the duration of the ball games.
- No visiting cheerleaders will be allowed.
- The gymnasium will be sanitized twice nightly.
- All athletes, coaches, cheerleaders or any other team personnel should be screened before each athletic contest.
- While we believe that sportsmanship is important to the success and development of athletes, we recommend that there is no hand shake before or after the competition to reduce the amount of direct contact.
