*On Friday September 14, 2018 experience unlimited access to unique senior portraits specifically for Caney Seniors.*

On September 14, 2018 your school is having the Senior Panel portraits taken with all seniors in the Conference Room starting at 8:30. You will need to SIGN UP TO SET UP A TIME to have these portraits done. Portraits will be shot from 8:30 to 2pm and please allow 20-30 minutes for your session. There is a \$20 panel fee due that day. If your panel fee is not paid, you will not be included on the panel.

You also have the unique opportunity to do a mini-senior session with us at no additional cost. These will be studio type shots with several different backgrounds & poses and up to 2 changes of clothing (in addition to your panel shot). You may bring any personal props you might want included in the shots (for example a guitar, letter jacket, sports equipment, etc.).

Get creative! This is a free session. We will provide 6-8 portrait proofs back for viewing in a few weeks with an order form. We have a package for everyone, they start at \$10.00, and we want you to experience the difference at Amazing Grace Photography!

**FOR THE REQUIRED PANEL PORTRAIT:** we will provide the tux jacket, shirt & tie for the guys but please bring a white t-shirt to wear underneath and we will provide several different colored faux-fur wraps for the girls to choose from but please bring a spaghetti or strapless top to wear underneath. ## Tips For A Great Portrait Session:

1. Get good rest the night before so you don't look tired in your pictures.
2. Have your hair fixed (& ladies, makeup on) before your session begins. Don't wear a hat or cap right before pictures, we can't touch-up hat hair. Fix yourself up as you would to go on a date.
3. Bring clothes that are NOT wrinkled. Wrinkled clothes will show up & look sloppy in pictures.
4. Don't forget shoes, belts and accessories for each outfit. (& any personal props too!)
5. Don't freak out about pimples or blemishes, they can & will be touched up for you.
