Seymour ISD Statement

Subject: Seymour ISD School Closure

Seymour ISD has announced a school closure through March 27, 2020 due to the threat of the coronavirus. Seymour ISD will reevaluate the week of March 23rd through March 27th. Although we are disappointed that school will be closed, Seymour ISD will work to support student learning in a number of ways. Seymour ISD will spend the next several days planning for the implementation of distance learning.

We ask all parents and students to ensure that your student's contact information is current by the end of the day March 17, 2020 if you have not already done so. If you have any questions, please contact your campus principal's office. Please look for guidance on Seymour Elementary Facebook, Seymour Middle School Facebook, Seymour High School Facebook, and at the following address: www.seymour-isd.net.
