

The
Seymour Independent School
District Needs PARENT
Volunteers to attend the
School Health
Advisory Council

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council addresses the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement.

The SHAC meets at least once a year during the school year.

If you are interested in attending our SHAC Meeting, please complete the form below and email or fax it to:
