Magic program teaches Aikin students how to fight bullying

Aikin Elementary students joined James Wand on an important top secret mission to turn Aikin into a Bully-Free Zone! His exciting magic show promotes a safe school environment and provides character education. Students had fun helping with his amazing magic tricks and learned that their actions have a profound influence on others. The show taught students how to be Fabulous Friends and how to help a friend being bullied.

Aikin students pictured with James Wand from left to right are Gracie White, Corbin Garnish, Damian Aguilar, Lilly Lewis, Bella Hill and (in back) Jamarion Ihedioha.
