Crockett Photography Club Student Recognized

Alexis Pitcock participated in the photography club at Crockett Intermediate School. Students learned some of the basic principles of taking pictures and were then encouraged to go out and take pictures to bring back to class. Alexis took this beautiful picture of a butterfly on a bush and brought it to class, and club sponsors, Melissa Douglas and Sharon Tuttle, submitted the photo to Kodak for the photo of the day contest. Notification was received from Kodak that the photo was selected for the photo of the day on May 25th.

Photographed is Alexis and a framed copy of the picture and recognition from Kodak.
