Paris Masonic Lodge promotes healthy teeth to students

Justiss Elementary School first graders recently received free tooth decay prevention kits from Paris Masonic Lodge No. 27. Lodge members Kevin Whitley, Bill Lindsay, and Wes Pope, accompanied by school nurse Jeri Kay Johnson, delivered the kits to the students.

The Fantastic Teeth Fan Club, a program created by Masonic Children & Family Services of Texas, helps children and parents across the state learn to prevent painful dental problems and avoid expensive treatment.

Justiss first grader Hank Mallory proudly shows off his Fantastic Teeth Kit.
