Justiss Elementary School sends donations for Hurricane Harvey relief

Justiss Elementary School reached out to the American Red Cross to find out what they could do to help in the aftermath of Hurricane Harvey. Each grade level focused on specific items that are needed and a semi truck picked up their donations and headed to Houston along with donations from others in the area. The donations include hand sanitizer, socks, tooth brushes, toothpaste, shampoo, soap, deodorant, toilet paper, diapers, wipes, and bottled water.
