PISD students inducted into NJHS

Thirty-two Paris Junior High eighth-graders were recently inducted as new members of the National Junior Honor Society (NJHS). Membership in the NJHS is based on scholarship, service, leadership, character, and citizenship.

The NJHS ranks as one of the oldest and most prestigious national organizations for middle level students. Chapters exist in more than 60 percent of the nation's middle schools and many foreign countries. NJHS is sponsored by the National Association of Secondary School Principals, which also sponsors the National Honor Society.
