PHS Varsity Winter Guard Takes Bronze Medal at Weekend Competition

The Paris High School Varsity Winter Guard brought home the third place trophy from Tulsa this weekend after competing in the Winter Guard International Regional competition.

The Guard made history by receiving their first-ever regional Bronze medal for their “Ex’s and Oh’s” performance piece. They competed against schools from Texas, Oklahoma, Arkansas, Missouri, and Minnesota.

The Guard hopes to continue their success in the coming weeks leading to the North Texas Colorguard Association state championships at Flower Mound on March 30.
