Aikin Elementary School and Thomas S. Justiss Elementary School has been selected for the Capturing Kids' Hearts National Showcase Schools™ Award

For the third consecutive year both Aikin Elementary and Justiss Elementary have received the *Capturing Kids' Hearts National Showcase Schools™* award for the 2019-2020 school year from the Flippen Group.

Four years ago, school administrators began an initiative to transform its campuses into an emotionally safe and relationally connected place for students, staff, and parents to come together with a love for learning.

After researching programs used by some of the nation's most successful schools, Paris Independent School District leaders chose to bring Capturing Kids' Hearts® to its campuses. Teachers and staff learned processes to increase students' connectedness with both peers and adults on campus. They learned how to create a classroom environment where students are excited to enter and learn every day.

Since 1990, campuses across the country have experienced amazing outcomes with *Capturing Kids' Hearts* tools and processes by creating socio-emotional safety conducive to learning. The Flippen Group provides educators the skills they need to change the trajectory of students' lives. Openness replaces defensiveness. Judging and feelings of being judged are replaced with acceptance and real connectedness to the school. "Discipline problems nearly non-existent," and "Academic achievement constantly improving," are common feedback following *Capturing Kids' Hearts* implementation.

Through the *Capturing Kids' Hearts National Showcase Schools* awards, the Flippen Group recognizes and celebrates campuses that go the extra mile each day, building an environment where students and staff feel safe and connected. The Flippen Group believes unsung heroes who produce exemplary outcomes in schools and pave the way for other schools to follow, need and deserve recognition for a job well done.

Capturing Kids' Hearts campuses across the country were considered for these awards based on the following criteria: 1) nomination based on observation, 2) level of implementation of *Capturing Kids' Hearts* processes by all staff as measured by online surveys, and 3) data demonstrating that *Capturing Kids' Hearts* has made a significant improvement in attendance, discipline, climate/culture, or academics.

The Flippen Group is proud to recognize these outstanding individuals who have dedicated themselves to making a difference in the lives of our children. As we identify these remarkable schools, campus leaders, and teachers each year, please join us in celebrating them as some of the most skilled and effective educators in the country!
