PISD Host Champion Mentor Program at Tyler's Pizzeria

Paris ISD's Champion Mentor Program recently hosted a pizza night at Tyler's Pizzeria with over 345 people in attendance. This event was the second-largest hosted by the program. Judging by the smiles on everyone's faces and the socializing that was being done, you can safely say a fun time was had by all who attended. The next planned event is Tuesday, December 7th, at the Paris High School Wildcat basketball game.
